

Being a column in which the publisher just "blows off steam".

By June Jones

IT TOOK a national Democratic convention to do it, but the public last week lost sight of the spitting antics of Ted Williams.

We thought for a while that whether Ted spit or didn't spit was going to steal the thunder from Truman's Harriman antics.

But only in the United States could a baseball player spit—and make \$4,200 profit and cost the federal government \$4,200 in taxes.

It happens this way: Ted, a \$100,000-a-year player, was fined \$5,000 by his club for spitting at the fans.

For tax purposes, the \$5,000 is a business expense since he must pay to continue to play ball. Thus his taxable income drops by \$5,000.

Since Ted's tax rate is 84 per cent the government loses \$4,200 of the amount and Ted only \$800.

But fans are planning to give him \$5,000, which as a gift is not taxable. In that case, the ball player stands an \$800 loss and a \$5,000 gain for a net of \$4,200.

Don't go west young man—just stand and spit!

A LITTLE GIRL who probably had done considerable observing is the author of the following ode:

Husbands is the people that your mama marries, and she always wishes that she hadn't picked out the one she did; but I don't know why, because husbands all look alike to me.

I guess husbands is a kind of fish, because I heard some ladies say that Miss Sadie Jones was fishing for Mr. Brown. But they didn't think she would ever hook him, and when I asked my papa what that meant, he said that it meant that men were suckers. And that if they weren't, none of them would ever get married.

UNCLE NED is a new columnist in The Merkel Mail. We let him write this portion of our column this week with—

Democrats are gnawing away at the Republicans at their national convention in the big city of Chicago this week. If you have time to look at it on TV you can learn a lot at this gathering.

The convention offers folks like us a chance to learn how our government is really run. The less informed ones may think they vote for the "person" but what they really do is vote for the party.

Learning something about politics is like eating cotton candy—it takes a lot of it to taste, and even then you haven't got anything!

When voting time comes around the little man has the authority to hire and fire the big man, from the chief executive on down to the city officers. He does this with the mark of a pencil. Whom he hires and whom he fires is entirely up to him. He wields a big stick only if he votes.

WHEN PRINCIPLE is involved, when it's a case of right against wrong, the welfare of the many, then we have no apologies to make for supporting the side we believe to be right, declares the editor of a neighboring newspaper, who speaks the sentiments of most of us. He continues: The cause is much greater than any individual concerned.

We attempt to temper everything we write with the overall principle of fairness and justice, whether or not it is to our personal advantage. For instance, we believe in justice to New England as well as to Texas, even though we are not directly affected by what happens to New England. We believe in constitutional government, obeying the supreme law of the land, whether we approve or disapprove of its provisions.

More and more in political circles we are hearing an expression which we believe is here to stay. It is "the moron vote."

Unlike "the lunatic fringe" which the big papers coined for use against Democratic voters, "the moron vote" has no political implications. It refers to those voters of all and no parties who cast irresponsible votes. It refers to those voters with below normal political IQs, those who vote but who lack the political intelligence to vote intelligently.

TROUBLE IN TRIPPLICATE—Gordon LeBout of Port Neches and of the South Team, leaps over a teammate as he runs back a kick in the all-star high school football game at Lubbock, concluding the Texas High School Coaches Association Coaching School at Texas Tech. LeBout is about to be stopped by three oncoming Northerners. The North Team won the game 32 to 13. Four Hamlin coaches were among the more than 1,900 attending the school.

Run-Off Election Saturday to Bring Out Moderate Voting

Sheriff's Race in Spotlight Along With Governor's

Better-than-usual interest in a run-off primary election is being shown by Hamlin area voters in the balloting scheduled for Saturday, if The Herald is able to interpret the concern of people.

Of course, the only local race of interest is that for sheriff, in which Sheriff Dave Reves, serving his second term, is being contested by O. D. (Doyle) Woody. Reves lacked less than 200 votes getting a majority over two opponents in the first primary in July. He polled 2,108 votes to 1,236 for Woody and 1,066 for E. M. (Roe) Isbell.

On the state level the race for governor of Texas has held top interest. U. S. Senator Price Daniel is being pushed by Ralph Yarborough, who twice before has been defeated for the post. Daniel led Yarborough by a big vote in the first primary that eliminated four others.

The second primary ballot will be a short one, and voters should be able to attend to the voting chore in one minute or less.

The usual voting boxes and voting time will be observed in the Saturday polling.

Anniversary Services For Oak Grove Pastor Set This Week-End

Beginning this (Thursday) evening at 8:00 o'clock at the Oak Grove Colored Baptist Church will be the fifth anniversary services of the pastor, Rev. J. L. Johnson, and wife, church leaders announce.

The public is invited. Visitors are expected from Abilene, Stamford, Munday, Haskell, Aspermont and Sweetwater.

Singing by visiting choirs is scheduled each evening through Sunday. Rev. E. James Odum of Abilene is to bring the message Thursday evening. Rev. M. H. Harris of Stamford will bring the message Friday evening, and Rev. H. D. Cumby of Abilene will speak Sunday afternoon.

H. & M. Tire Concern Sets Formal Opening

H. & M. Tire and Appliance store is due to stage its formal opening next week-end, it is announced this week by Joe Hudspeth, manager and coowner.

Free souvenirs, including orchids for the first 100 ladies on hand, are due to be given at the open house next Thursday, Friday at Saturday, August 30, 31 and September 1, Hudspeth says.

HI, POP!—John Daniel, eight-year-old son of Senator Price Daniel, leaps into his dad's arms to greet him after Daniel finished a full day of campaigning. John, who had been spending a few days with his aunt in Austin, greeted his father at Mexia.

District Baptists To Meet Friday at Calvary Church

"Qualifications for Service" will be the theme of the monthly meeting of the young people of the North Colorado District of Baptist Training Service, which convenes Friday evening with the Calvary Baptist Church in Hamlin, according to Rev. W. C. Rea, pastor.

Merriam Simpson of Anson, president of the youth group, will preside for the gathering of representatives from eight counties in the district.

The program for the gathering follows:

Chorus Singing, Calvary Junior Choir.

Business.

Introduction of Program, Calvary Church.

"Come to Christ," Aspermont; alternate, Stamford.

"Go for Christ," Jud; alternate, Colorado City.

"Trust in Christ," Haskell; alternate, Sunset of Hamlin.

"Act Like Christ," Palava, alternate, Anson.

Special Music, Bethel.

Bible quiz led by Mrs. Archie Carson of Calvary Church. Each church is requested to choose one boy and one girl to compete in the Bible quiz. The quiz will be conducted on the order of a spelling bee.

PEP SQUAD TO MEET.

First meetings of the Hamlin High School Pep Squad will be at 9:00 o'clock on Monday and Tuesday mornings, August 27 and 28, announce leaders of the girls' pep group.

High Schoolers to Begin Registering Monday Morning

As time for opening of the new 1956-57 school term nears, High School Principal Newberry reports that high school students will enroll early, beginning next Monday. The following enrollment schedule is announced:

Seniors—Monday, August 27, from 9:00 a. m. to 10:30 a. m.

Juniors—Monday, August 27, from 10:30 a. m. to 12:00 noon.

Sophomores—Tuesday, August 28, from 9:00 a. m. to 10:30 a. m.

Freshmen—Tuesday, August 28, from 10:30 a. m. to 12:00 noon.

Weekly meal tickets for the Primary, Elementary and Junior High School are \$1.50 for the week.

The following fees are charged when students register or arrangements made at that time for payment later: Every student pays \$1 per year library fee. Students enrolled in typing pay \$2.25 per semester or \$4.50 for the entire year.

In the event students are not able to enroll according to the above schedule, Newberry announces, they may wait until the first day of school on Tuesday, September 4, to register.

The advance registration is conducted to aid the teachers in arranging class schedules with the least conflicts.

11 Professions Result From Sunset Revival

Eleven professions of faith and three additions by letter were the visible results of the 10-day series of revival services that closed Sunday night at the Sunset Baptist Church, according to Rev. R. B. Tiner, the pastor.

Doing the preaching in the revival was Rev. James Harvey, pastor of Park Place Baptist Church in Abilene.

CONVENTION HIJINKS—A pretty girl never hurt any convention parade and these Texans knew it as they carried Betty Grant of Whitney down the aisle of the convention hall during the Democratic national convention in Chicago last week. They were part of the delegates in demonstration for Senator Lyndon Johnson.

Hamlin to Aspermont Highway Project Will Cost Half Million

Area People Will Attend Roby Fair And Rodeo Event

Scores of Hamlin area people will be among the hundreds who will attend the eleventh annual Fisher County Fair and Rodeo this week-end at Roby.

Opening Thursday, the celebration will continue through Saturday.

Despite the fact that drought conditions have hurt crop production in much of the Fisher County country, some good crop exhibits will come from scattered areas, declares County Agent James Norman, who with the home demonstration agent, is arranging the exhibits. Fine livestock likewise will be a little scarce, but some good animals are expected for the fair.

Entertainment feature of the three-day celebration will be the three nightly performances of the Fisher County Amateur Rodeo. Glenn Webb of Claytonville, president of the rodeo association, declares many entries have come in for the rodeo events to assure a rousing show of highly competitive events, in which \$1,500 in prizes are offered.

Goat Mayo of Petrolia is furnishing riding stock for the tough riding events. A girls' barrel race has been arranged for the cowgirls of the area.

Rabbit Jumps Thru Windshield of Auto

Mr. and Mrs. J. C. Farmer, living southeast of Hamlin, had an extra passenger as they went to Church at Hanna about dusk Monday. But he entered their car a little unethically—through the windshield.

As they drove along toward the church a cotton-tail rabbit jumped on the hood of their 1955 Chevrolet and knocked a hole in the windshield.

The rabbit was not killed, and after giving him first aid, the animal was released several days later with a broken hip and a gashed head.

200 4-H Clubbers at Watermelon Slicing

Approximately 200 4-H Club boys and girls and their families attended the annual 4-H Club watermelon party at the Anson City Park Friday.

The activities started with a swim and were climaxed with a watermelon slicing.

Adult and junior leaders who helped with the party included Woodrow Bagley, Kenneth Martin, Carlton Sasser, Jimmy and A. H. Roberts and John Mitchell, all of Anson.

Swimming Pool to Be Closed on Week-End

Last swimming sessions for the current season at the Hamlin swimming pool are due to be held this week-end, it was announced Wednesday by Jess Parish, pool manager.

People of the community wanting to get in their last flings at the pool, are urged to take advantage of the facilities there by Sunday evening.

BUSINESS AS USUAL—A fire which destroyed the First State Bank of Tuscola didn't stop the normal banking business. Just a few hours after the blaze, Mrs. Allie Mae Marshall, assistant cashier, was using the local feed store to transact business, with Deputy Sheriffs C. G. Bradford and Gene Howell standing guard.

Bolt of Many Democrats For Ike Seen in State Vote

Hamlin territory, probably like much of the nation, has been buzzing with varied reactions to the political conventions that were underway last week and this at Chicago and San Francisco.

Many conservative Democrats will shun Adlai Stevenson and vote for Dwight Eisenhower again this year, it was indicated. And this trend was not only reflected in these parts. State Committee-man Bill Brown of Fort Worth, back from the Chicago convention of Democrats, when asked if conservatives would back Stevenson in the presidential race, declared:

"That remains to be seen. But I think Eisenhower will come very close to carrying Texas again this year."

To make a close fight of the contest in Texas, Eisenhower would need strong support from Conservative ranks since Loyalists will back Stevenson.

Brown termed the Democratic civil rights platform plank more acceptable to Texans than the plank which the party adopted in 1948 and 1952.

"The plank this year represents

a more moderate approach," the Fort Worth attorney said. "I believe the party realizes that. The South is an important segment and cannot be counted upon to follow blindly."

"I feel also that the results of the Texas referendum had a sobering effect on those who would have adopted a stronger plank on the segregation question."

Brown referred to the three racial questions on the July primary ballot. Texans voted overwhelmingly for segregated schools, strong laws against inter-marriage and use of the interposition theory.

Preparations for the start of a new school term in the Hamlin Schools are about complete, declares Superintendent C. F. Cook, who has asked that The Herald print the following statement:

As of September 1 I have completed a full school year as your superintendent of schools. This has been a very enjoyable as well as profitable year for me. I do appreciate the courtesy shown Mrs. Cook, Lawrence and me this short time. We like to live in Hamlin and feel that this is our home. I trust that the future will be as pleasant as the past year.

I know I have made many errors and mistakes since I have been here, but I will assure you that all of them have been honest and without favor. I appreciate the way this community has accepted these mistakes and the way you have helped me correct them.

The students and teachers have been wonderful to me. I appreciate more than I can say how wonderful this relationship has been. I trust this will continue for a long, long time.

This community is very fortunate in having good high type men as members of your school board. In all my teaching experience I feel that this board is more interested in a good school system and has a desire to serve the children of this community than

20 Mile Stretch To Be Widened And Resurfaced

Nearly half a million dollars will be spent on a major highway improvement program from Hamlin to Aspermont, a distance of approximately 20 miles.

The work was authorized last week when the contract for the project on U. S. Highway 83 in Stonewall, Fisher and Jones Counties was awarded to Ivan Dement of Amarillo on a low bid of \$463,946.93 by the Texas Highway Commission at Austin.

Work was due to get underway soon on the project, which will include widening of drainage structures, base and hot mix asphaltic concrete pavement. Completion of the work is due in 150 working days, according to J. C. Roberts, district highway engineer at Abilene.

C. W. Westbrook, resident engineer at Hamlin, will be in active charge of the project while under construction.

500,000 Farmers of Nation Sign Cropland

Approximately 500,000 farmers in the nation had signed 10,720,749 acres of cropland under the soil bank by July 27. They can earn nearly \$225,000,000 if all requirements are met.

In Texas, 60,101 agreements have been signed. These involve 1,819,507.3 acres. Texas signers by complying with all soil bank program requirements can earn \$22,208,899.

Cotton leads in Texas with 46,852 agreements, 830,668 acres and \$16,102,108. More acreage involving wheat has been contracted, with a total of 952,708 acres, but payments to be earned total \$5,524,542.

Good enrollments are expected in all sections of DePriest School of Hamlin when it begins the new session Monday morning, according to E. S. Morgan, principal.

Several new courses are due to be taught this year at DePriest, with the addition of a science department and laboratory.

Opening of DePriest School Set Monday

Superintendent of Schools C. F. Cook Looks Forward to Successful Term

I have already stated that I know I have been in error many times this past year, but I would like to be a better superintendent the coming year. I can be better if you good people will be as considerate as you have been in the past. I want you to feel free to come to me on any school problem. I am working for all the people in this community, as please come.

If your child is not doing as well as you would like for him to do, please visit the principal of your child's school, also his teacher. They will be happy to work with you and your child.

Please check your child's report each six weeks. That is the reason we send them out.

W. L. Boyd Well No. 6 Gauges 107 Barrels

Trans-Tex Drilling Company of Shreveport last week completed its No. 6 W. L. Boyd well as a new producer in Fisher County's Judy Gail (Canyon) Field, four miles northwest of Hamlin. It is in Section 191, Block 1, B. B. & C. Railway Company Survey.

Daily potential was 107.94 barrels of 29.6-gravity oil and 10 per cent water, pumping from 70 per cent water, pumping from 4,550-68 feet. Total depth was 4,625 feet, with casing set at 4,620 feet.

SOIL BANK PAYMENTS UNFAIR TO DROUTH AREA

In its clamor to relieve the bad situation of our nation's farmers through the recently adopted and inaugurated soil bank program, the administration is all but by-passing the very farmer who needs help most—the drouth farmer, points out an exchange newspaper coming to our desk.

Payments have already begun for those who choose to relieve surpluses by plowing under crops or letting potentially productive soil remain idle. But for the farmers whose land refuses to grow crops because nature's water supply has been temporarily withdrawn no help is forthcoming.

The intent of the program passed this year by Congress is to base soil bank payments on normal production, with the main purpose being elimination of surpluses.

A realistic interpretation of the measure would base consideration on production from a normal 10-year period. As it stands now, payments are being based on this season's

potential production. This leaves hundreds of drouth-ridden Texas farmers out in the cold with a small token crop failure sum, plus the right to graze their grassless lands.

Are the drouth farmers, whose crops failed to come up, relieving the surplus problem any less than those who set aside productive land for the same purpose? Our parched but otherwise fertile farms are just as idle as any soil "banked" in producing areas this season.

The soil bank system should not reward a man for plowing under a productive crop and then penalize a man for having a crop failure. The results are the same in both cases. Neither produces a surplus of goods—if that's what the program is for.

The soil bank could be one of the easiest means of providing vitally needed aid to farmers suffering from drouth. The matter of interpretation is the key that can mean the difference between relief and repression to our farm people.

New Ideas Come Simply

A man worked in a printing plant once who had poor health. He found that it helped him in his work to stand on a rubber mat. The shock of the machinery was lessened, and he had more strength for his work.

Other workers in the shop noticed the mat, thought it was a fine idea, and whenever he would leave the machine, they would come and borrow the mat. The printer would come back and find the mat gone. Displeased with this arrangement, the printer thought to improve the rubber mat idea. He cut pieces of rubber into little squares and nailed them on the soles of his shoes. In this way he carried his mat with him wherever he went.

It worked so well that the other men in the shop came and asked him to make rubber mats for their shoes. Before long the "rubber mat man" was busy every noon cutting out rubber heels for his shop mates.

The man's name was O'Sullivan. That wasn't the last idea in the world. For every old idea there are a thousand new ones, undiscovered and untried. Next to character, ideas are the most valuable things. And it doesn't take any money to get one.

Now, those rubber heels are made by the hundreds of thousands and sold all over the world. The business was born when O'Sullivan let an idea come into his head. The little idea developed into a great industry that has made life easier for thousands of men and women.

In His Own Dooryard

He had traveled half a thousand miles to look up a job. He was weary of his "peanut stand" business, and to the great metropolis he had gone to find a job that was a job.

"Yes," said the man, "I have a job for you. But you are overlooking the job in your own dooryard. The vision you have of a job here has just as many drawbacks in it as you see in your own little business. Your own little business offers possibilities far beyond anything that this greatest city in the land can offer. It can be developed into a business that will bring you more money and more power than this city can offer you."

With that the man outlined briefly the steps that could be made to develop the little peanut stand into many peanut stands, big and little. "Why, in ten years," he said, "you can have a chance to buy and sell me and all I own; you can come to our city as often as you like. Yes," he concluded, "I have a job for you—if you want it."

The visitor paused a moment. He had come 500 miles for this offer. There it was—the key to the big city, and the end of the peanut stand.

"No," he announced, "I do not want it, I'll dig the gold in my own dooryard."

Happiness Our Goal

The world is our home... that we cannot change. Humanity is our family. Happiness is our goal—but harmony will never prevail until we learn to dwell in peace with our fellow men and our families.

Our religion must be based on good old fashioned brotherly love—the simple principle of doing good to others as we pass through life. This must be our aim and constant endeavor. Not just because it seems to be the right thing to do but because it is the only sound, practical and workable way in which we can make our earthly home a harmonious place in which to live.

This should be our approach to happiness—it should reflect our outlook on life as we hope to enjoy it and as we should try to live it.

If we could only earn 1956 wages, pay 1925 prices and 1915 taxes, we would be sitting pretty.—West Grove, Pennsylvania, Independent.

Editorial of the Week

MORE THAN FRIENDSHIP

Much has been written through the ages on the subject of friendship. We have devoted several of these columns to the subject from time to time. And we would not discredit any of the beautiful tributes which have been dedicated to friends.

Friends have an inestimable value in times of trouble, sorrow and grief; when we have needs that only a friend can supply; and also in times of gaiety and happiness.

But if we are to cope with the problems of life effectively, we must have resources greater than mere friendship.

Just as young married couples soon discover that they cannot live on love alone, so it is that even the best of friends learn that despite their sincerity, humanity becomes a limitation.

Friendship often is dampened by passage of time, distance and new interests, even though it is against the wishes of those concerned. We can never be sure that a friend will be present to comfort just at the time he is needed. And even should he be, there are problems of life that even a friend cannot solve.

More dependable than friends are those divine resources which are ever constant in their availability and effectiveness, even the Friend which sticketh closer than a brother.

Mankind is constantly subjected to the storms of life, to the mighty waves which constantly beat against our frail frames. Death, failure of health, financial reverses, disappointments, loneliness—these are only several of a long list of enemies which are ever lurking around the corner.—The Tulia Herald.

RECALLING Other Years

Being news items taken from old files of Your Home - Town Newspaper, The Herald.

TWENTY YEARS AGO.
News notes of interest in the Hamlin community 20 years ago included the following, reprinted from the issue of The Hamlin Herald dated August 21, 1936:
Monday night as Carl Bingham, 22, and J. D. Hayes, 15, were closing Loy Fry's Limit Cafe, a young man held them up, taking money just taken by the employees from the cash drawer, at the point of a pistol. After marching them west of the Spencer Lumber Company, the two captives pounced on the robber, and overpowered him even though his gun went off. He was turned over to City Marshal Miles. In a hearing Wednesday at Anson, it was established the hold-up man was from Aspermont. His trial has been set later.

Roland Colman, Claudette Colbert, Victor McLaglen and Rosalind Russell are featured at the Ferguson Theater in "Under Two Flags."
Hamlin Schools will open September 4, it was announced this week. Several new faculty members have been announced elected for the new term.
Residence of Mrs. H. B. Lewis, two and one-half miles northeast of the Flat Top School, was burned Sunday afternoon about 3:00 o'clock.
Elizabeth Fraser of Houston is guest of her uncle, Paul Fraser, and wife.

TEN YEARS AGO.
Among goings-on in the Hamlin community 10 years ago were the following, as recorded in the issue of The Hamlin Herald dated August 23, 1946:
Haskell Carter, long time member of the Lions Club at Hamlin, has been named deputy district governor by R. E. Gracey of Roscoe, district governor.
Unavoidable automobile accident two block south of the Santa Fe depot Sunday evening resulted in the death of Mrs. M. E. Messick, 66, of Hamlin. The victim was struck by the car driven by Vernon Shira as she attempted to cross Central Avenue.
Cotton loans rates for the 1946 season have been set by the government at 22.83 cents per pound.
Many area ranchers are selling off their livestock because of pasture and feed shortages caused by the prolonged drouth.
Hamlin's first bale of 1946 cotton arrived in town Thursday morning and sold for 37½ cents per pound. It was grown by Buddy Jenkins on the Joe Sauls farm, eight miles northeast of Hamlin.
Hamlin High School boys of the Future Farmers of America chapter have been touring area farms, inspecting the club project calves of the various students during the summer. Accompanying the boys has been T. C. Blankinship, VA instructor at the school and sponsor of the group.

FIVE YEARS AGO.
Among happenings of the Hamlin community five years ago were the following, reproduced in brief from the issue of The Hamlin Herald dated August 24, 1951:
Contrary to reports circulated in the Hamlin section the past several days, the T-P Coal & Oil Company oil camp, seven miles northwest of the city, will not be moved, according to a report from T-P officials.
First bale of 1951 cotton was brought in to Hamlin Saturday by H. D. Bennett of the Flat Top community. Second bale was brought in Wednesday by Leon Anderson of Aspermont.
New equipment for the vocational agriculture department at Hamlin High School will be among the best available, according to School Superintendent I. R. Huchingson.

ONE YEAR AGO.
News items in the Hamlin community of one year ago included the following, condensed from the issue of The Hamlin Herald dated August 19, 1955:
Ed Croan this week became manager of the Winn Variety Store. He comes from Denon. He succeeds Cliff Switzer, who has gone to the Winn store at Graham.
A special city election to name a member of the City Council to fill the vacancy caused by the resignation of Delma Shelburne has been called for September 13.
I. R. Huchingson, who has been superintendent of Hamlin Schools for nine years, has accepted the position of executive secretary of the Texas Lions Club Crippled Children's Home at Kerrville.
First bale of 1955 cotton was brought in to Hamlin Monday by R. J. Waddle, farming six miles southeast of Hamlin.

Motorists of Hamlin Area Urged to Fit Traffic Habits to Pattern of Road

"Don't be a traffic misfit—the fellow who's out of step is out of luck!"

That warning to was to Hamlin area motorists this week by E. C. McFadden of Dallas, president of the Texas Safety Association, as he discussed the share-the-road program of the Texas Safety Association, the Department of Public Safety and the National Safety Council. This program is being conducted in cooperation with the slow-down-and-live program of the National Conference of State Safety Coordinators.

"Safety on the highway depends to a great extent on the smooth, even flow of traffic," McFadden said. "Whenever you interrupt this flow you're in trouble—and so are the drivers around you. Here are a few examples of stunts that will foul up traffic in a hurry."

"Stopping suddenly can cause an aggravating pile-up of the cars behind you. Making a turn from the wrong lane is sure to jam things up in the lane you barge into. Hugging the bumper of the car ahead makes you a sitting duck for a serious accident if the fellow in front stops suddenly."

"Speed is another thing that must be adjusted to the traffic flow," he said.

"If you go barreling down the road faster than the drivers

around you, you're likely to tangle with them," he declared. "But it's not safe to drive too slow, either. You can throw a monkey wrench into the traffic patterns if you force every other car on the road to take chances getting around you."

He advised motorists to drive at a rate of speed that fits in smoothly with the speed of the cars around them. He said this is especially important when driving on super highways, where higher speed gives the driver less time to think in an emergency situation, and increases the severity of any accident he may have. "Remember, you're not alone on the highway," McFadden reminded. "Share the road if you want to stay safe."

11 Additions Result In North Central Meet

Eleven additions to the church and seven professions of faith resulted in the 10-day revival meeting that closed Sunday evening at the North Central Avenue Baptist Church, according to Rev. Woodrow McHugh, pastor.

Doing the preaching in the series of services was Rev. T. W. Teel, pastor of the Blackwell Baptist Church.

REPORT ON CAMPUS TALK.

Collegiate have been reading newspapers, or else how could language of diplomats have gotten into their conversations?

A meeting at the summit... is a session at the dean's office. Massive retaliation... is the discipline to which a student is subjected. At the brink... at the edge of flunking. Agonizing reappraisal... the memory of what a student had just written in his final exam.

Birth Certificates Required of First Graders at School

Children entering school for the first time Tuesday, September 4, and who did not bring their birth certificates for the pre-school registration last spring, must have their birth certificates, points out Mrs. Fred Smith, principal of the Primary School this week as she directs preparations for the opening week after next. The Primary Tuesday, September 4, when the children will register and remain for regular classes.

Lunch will be served in the cafeteria. The first graders will be served at 11:00 o'clock, the second graders at 11:20, and the third graders will be served at 11:40.

Tickets may be purchased or a child may bring 30 cents for his lunch each day. A month's ticket good for 20 meals sells for \$5, thus saving the purchaser \$1. A week's ticket of five meals sells for \$1.25.

The first and second grades will be dismissed at 2:40 p. m. All children who ride the bus or wait for an older sister or brother will wait in the room designated bus room until the buses run at 3:40.

Attendance at City's Sunday Schools Sags Below Week Previous

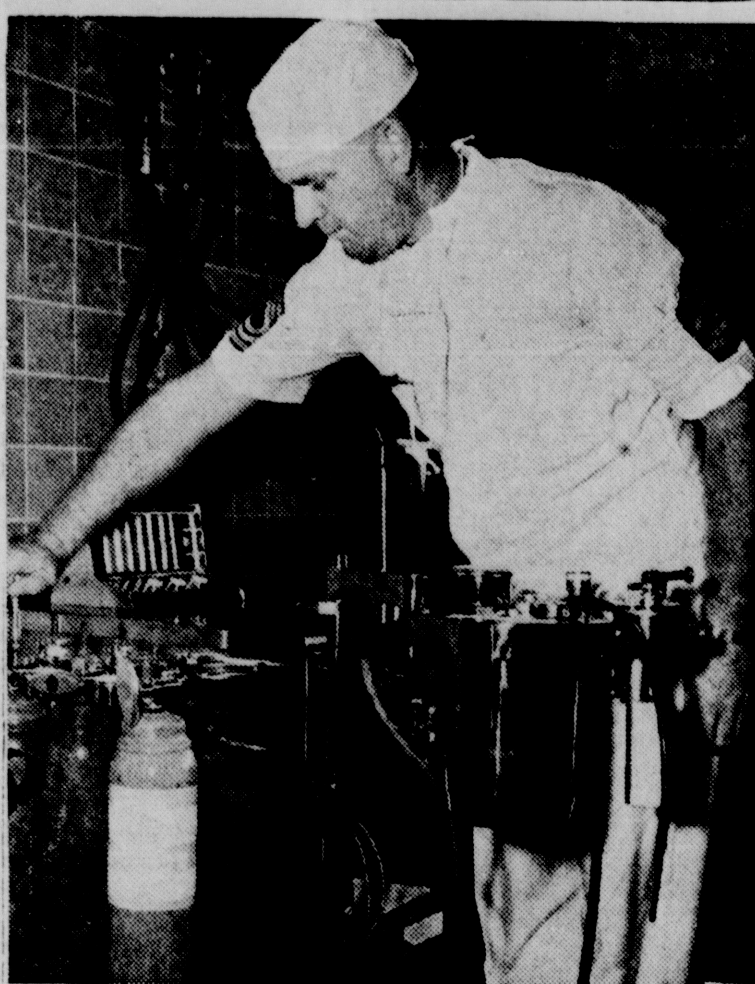

Attendance at Sunday Schools of the Hamlin churches showed a decline Sunday from the previous week as well as a drop from the year-ago figure. One churchman declared it must have been the "norther" that kept people away Sunday.

Attendance by churches for August 12, August 19 and a year ago follow:

Churches—	Aug. 12	Aug. 19	Year Ago
First Baptist.....	366	351	407
North Cen. Baptist 76	74	71	
Oak Gr. Col. Baptist 65	50	66	
Mexican Baptist.....	54	48	65
Ch. of Nazarene.....	94	94	98
First Methodist.....	193	160	183
Foursquare Gospel..	71	70	74
Faith Methodist.....	48	54	34
Sunset Baptist.....	65	70	30
Church of Christ.....	152	126	131
Calvary Baptist.....	54	40	60
Pentecostal.....	20	—	25
Assembly of God.....	45	40	42
Totals.....	1303	1177	1282

The three branches of government in the U. S. are the legislative, executive and judicial.

The third grade will be dismissed at 3:40.

ENJOYING WARM WEATHER—Master Sergeant William L. Phelps checks anesthesia equipment in an operating room at Brooke General Hospital where he is enjoying the hot South Texas weather after three cold weather assignments—two of which were in the arctic.

Seven-Year-Old Girl, Suffering with Polio, Gets Gift Every Day

Having a confining case of polio is no fun for anybody, but a popular little miss of Hamlin is being cheered up through her ordeal of spending time in bed at the Hendrick Memorial Hospital at Abilene by thoughtful friends back here at home.

Barbara Keith, seven-year-old daughter of Mr. and Mrs. Roy Keith of Hamlin, is being supplied a gift a day by friends in the North Central Avenue Baptist Church, who brought a variety of remembrances to church last Sunday, to be doled out to Barbara each day.

Barbara's older sister, Linda, who is 10 years of age, is suffering with muscular dystrophy.

The Santa Gertrudis breed of cattle is a cross between the Brahma and Shorthorn.

Captain Kidd was an American shipmaster, commissioned by the British to capture pirates.

There are more books in the Library of Congress than there are in the British Museum.

New Junior High Students Asked to Be Pre-Registered

All sixth, seventh and eighth grade students who have moved into the Hamlin School District since the last school term are asked to come to the Junior High School building next Monday morning, August 27, at 9:00 o'clock, advises Principal Marvin D. Carlton. Pre-registration of these pupils will greatly facilitate opening day activities on September 4, Carlton points out.

Due to the differences between schools, a familiarization period will be held, discussing schedules, requirements and general information so that the new students may become better acquainted with the local school. Parents of new students are invited to accompany their children.

Descendants of Wilemons Gather in Annual Family Reunion at Neinda

Descendants of the Wilemon family met for the ninth annual family reunion Sunday, August 12, at the Neinda community center, six miles south of Hamlin. A day of feasting and visiting was spent.

During a short business meeting new officers were elected as follows: Bill Wilemon, president; L. Z. Wilemon, vice president; and Linda Williams, secretary.

Those attending the get-together included: Mr. and Mrs. Bill Wilemon, Vickie and Kenneth, and Mr. and Mrs. H. A. Wilemon and Louise of Greenville; Mr. and Mrs. Santa Pace and children of Borger; Herchell Hubbard of Terminal; Mrs. Guy Wilemon of Midland; Mr. and Mrs. Neil Williams of Celeste; Mr. and Mrs. L. Z. Wilemon of Bells; Mr. and Mrs. Steve Wilemon and Stevie of Houston; Mr. and Mrs. R. H. Miller of Merkel; Mr. and Mrs. Roy Wilemon of Muleshoe;

Mr. and Mrs. Bill Lepard, Mr. and Mrs. Harold Littlefield, Phil and Tony, Mr. and Mrs. Lawrence Hall, Ann, Jan and Larry and Mrs. V. W. Lepard of Anson; Mr. and Mrs. Clennon Miller, Mr. and Mrs. Earl Jackson and Gina, Mr. and Mrs. W. O. Miller and J. R. Wilemon of Dallas; Mr. and Mrs. Phil Hetzel and Taras, Mr. and Mrs. Erwin Baucum, Sylvia and David, Mr. and Mrs. Lester Garrett, Betty and Leslie of Abilene; Mr. and Mrs. P. D. Wheat, Dwaine and Sharon, Mr. and Mrs. John Brown Sr., Mr. and Mrs. Ray Williams, Jerry and Larry, Mr. and Mrs. Jack Williams, Mr. and Mrs. John Brown Jr., Nancy and Cheryl, Mr. and Mrs. Jackie Williams and Mignon, Mr. and Mrs. Donley Williams, Jackie Don and Latrese and Mrs. J. J. Wilemon, all of Hamlin; and four visitors, Mr. and Mrs. G. C. Spoonmore of Dallas, Mrs. W. L. Johnson of Merkel and Barbara Walton of Hamlin.

LOSE UGLY FAT IN TEN DAYS OR MONEY BACK

If you are overweight, here is the first really thrilling news to come along in years. A new and convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON cures both hunger and appetite. No drugs, no diet, no exercise. Absolutely harmless. When you take DIATRON you still enjoy your meals, still eat the foods you like, but you simply don't have the urge for extra portions and automatically your weight must come down, because, as your own doctor will tell you, when you eat less, you weigh less. Excess weight endangers your heart, kidneys, so no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this guarantee: You must lose weight with the first package you use or the package costs you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by Howard City Drug Store, Hamlin. Mail orders filled.

Good Neighbor Club Members, Families Meet at City Park

Members of the Good Neighbor Home Demonstration Club and their families met at the Hamlin City Park last Friday evening for their annual picnic.

A picnic supper, consisting of fried chicken and all the trimmings, was served to the following attendants: Mr. and Mrs. Noel Weaver and Davey, Mr. and Mrs. Dale Lain and Gill, Mr. and Mrs. O. H. Weaver and Oram Jr., Mr. and Mrs. Elmer Joiner, Mr. and Mrs. J. C. Hodnett, Sue, Jay and Judy, Mr. and Mrs. Buck Joiner, Charles and Jerry, Mr. and Mrs. J. E. McCoy, Kay and Larry, Mr. and Mrs. L. R. Faulkenberry, Mr. and Mrs. Gib Carothers and Penny; and the visitors, Mrs. Sue Martindale and son, Marlin, of Bralley, California.

The Island of Ball is in Java in the Dutch East Indies.

William K. Westbrook Weds Lanny Posey Of Rotan Friday Eve

A candle-light service, read in the Rotan Church of Christ Friday evening at 6:00 o'clock united Lanny Nadin ePosey of Rotan and William Kent Westbrook of Hamlin.

Parents of the couple are Mr. and Mrs. Dave Posey of Rotan and Mr. and Mrs. W. C. Westbrook of Hamlin.

The double ring rites were read by Rex Kiker of Abilene Christian College before an altar arrangement of palms, accented with candelabra holding lighted white tapers. Baskets of white chrysanthemums tied with satin were linked with the candelabra. Satin bows marked family pews.

Maid-of-honor was the bride's sister, Bobbie Posey; matron-of-honor was her sister-in-law, Mrs. Ted Posey. Bridesmaids were Beverly Smith and Judith Morrow.

The bride, given in marriage by her father, was gownned in a period creation of rosepoint lace and tulle, featuring fitted bodice and overskirt of lace, with a floor length triple skirt of tulle. The portrait neckline was accented with lace medallions, centered with iridescents. She wore elbow length lace mitts. Her bridal veil of French illusion fell from a cap of lace and tulle. She wore pearls as her only jewelry, and carried an orchid, nestled in satin and net, atop a white Bible.

When the couple left for honeymoon in New Mexico, the bride wore a suit of grey acetate and dacron, with accessories in pink and black.

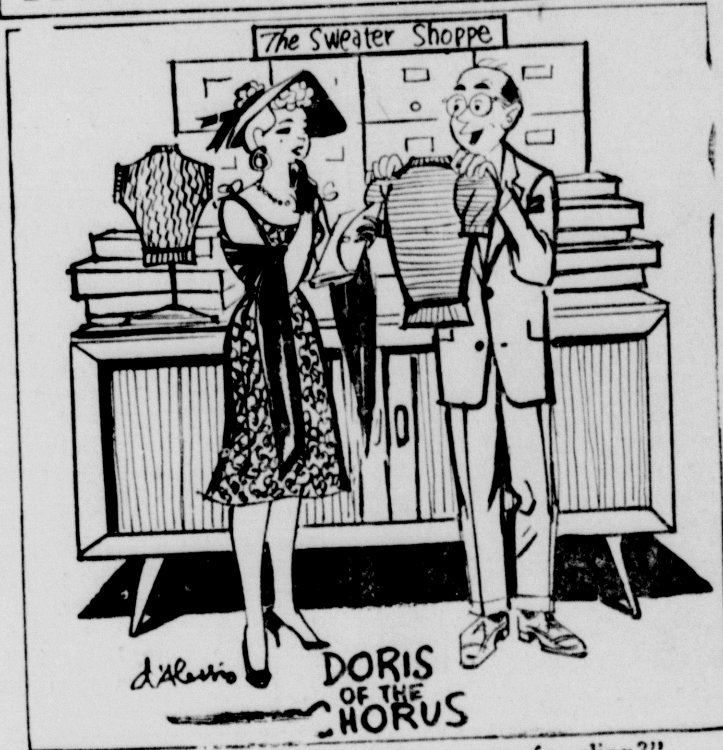

After September 1 the couple will live at Norman, Oklahoma, where the bridegroom is a senior petroleum engineering student in the University of Oklahoma, and where the bride will enroll as a freshman student.

Both are graduates of Rotan High School. The bride attended Abilene Christian College this summer.

Taj Mahal in India was built for the favorite wife of the Emperor of India, Sha Jahan.

Winkels Children Meet in Hopper Home For Family Reunion

Descendants of the late Mr. and Mrs. E. W. Winkels met Sunday, August 12, at the home of Mr. and Mrs. L. H. Hopper for a family reunion.

Those present were Mr. and Mrs. L. R. Winkels of Anson, Mr. and Mrs. B. B. Winkels of Plainview, Mr. and Mrs. A. H. Winkels and son of Dwight, California, Mr. and Mrs. Shelton May of Imperial, Mrs. Flora Alexander of Afton, Mrs. Lona King of Hamlin, Mr. and Mrs. W. E. White of Comanche, Mrs. Alice Day of Afton, Mr. and Mrs. J. E. Crow, Mike and Donnie of Hamlin, Mrs. Opal Alexander of Fort Worth, Mr. and Mrs. J. L. Brown of Afton, Mr. and Mrs. Joe Watson and Jackie of Irving, Mr. and Mrs. L. C. Holladay and daughter, Nell, of Fort Worth, Mr. and Mrs. Alton King of Stamford, Mrs. Sue King of Tishomingo, Oklahoma, Mr. and Mrs. H. E. Alexander of Fort Worth, Mr. and Mrs. Jack White of Hamlin.

MIGHTY POOR SERVICE.

After several hours of fishing, the little girl suddenly threw down her pole and said, "I quit!"

"What's the matter?" asked her father.

"Nothing," said the child, "except that I can't seem to get waited on."

The architect of the White House was James Hoban.

T. A. Jeans Celebrate Anniversary Despite His Being in Hospital

Mr. and Mrs. T. A. Jean, pioneer farm couple living west of Hamlin in Fisher County, did not let the fact that Mr. Jean was in a Rotan hospital keep them from celebrating their fifty-eighth wedding anniversary this week.

Although Mr. Jean has been confined in the Callan Hospital at Rotan for several weeks, he and his bride had appropriate remembrances for the occasion—thanks to thoughtful children and grandchildren. Only part of the family could attend the anniversary shindigs.

The Jeans were married in 1898 at Blum, Johnson County, in Central Texas. They moved to McLennan County, near Melvin, where they farmed several years. They moved in 1916 to their present home in Fisher County, west of Hamlin. She was the former Donnie Heath of Blum.

Eight children were born to the couple, seven of whom are still living. They have 15 grandchildren and 11 great-grandchildren.

The children are Mrs. Ethel Caldwell of Hamlin, Mrs. Addie Humphreys of Mesquite, Mrs. Edna Branch of Odessa, Virgil Jean of Hamlin, Mrs. Eunice Flint of Haskell, Morris Jean of Hamlin, and Archie Jean of Fort Worth.

Mrs. Annetta Massey Weds R. L. Matchett

Wedding of Mrs. Annetta W. Massey to Riley Lewis Matchett was solemnized July 20 at Clovis, New Mexico.

The bride is the daughter of W. L. Walton and the late Mrs. Walton. The bridegroom is the son of the late Mr. and Mrs. J. F. Matchett.

Following a wedding trip in New Mexico, the couple is at home at their farm home north of Hamlin.

Three from Hamlin Get Beauty Licenses

The Herald is advised from Abilene that Vernell Butler, Mrs. Bonnie Butler and Mrs. Eva Spencer have finished a course in beauty culture. Mrs. Kate Whittaker of the Abilene Beauty College said the three Hamlin women were outstanding students and are excellent in all phases of beauty work. Some of their courses included advanced hair styling techniques, son-x facials, machine and cold permanent waving, scalp treatments, steam baths and manicuring.

Everybody Invited to Sellers-Weaver Rites

Everybody in the community is invited to attend the wedding Saturday evening at 7:30 at the First Baptist Church of Toby. Sellers and Guy Lewis Weaver, declare parents of the popular young couple.

Mr. and Mrs. Charlie Sellers are parents of the bride-to-be, and Mr. and Mrs. Noel Weaver of the Neinda community are parents of the prospective groom.

Friends of the families also are invited to attend the reception at the Sellers home, 612 Northwest Avenue A, following the wedding ceremony.

Locals Go to Golden Wedding Gathering

Several from Hamlin were among those attending the golden wedding anniversary celebration of Mr. and Mrs. Ed Stallings at Apache, Oklahoma, Sunday.

Attending from Hamlin were Mr. and Mrs. D. D. Crow, Mr. and Mrs. F. M. Crow, Mr. and Mrs. W. E. Crow. Mrs. Stallings is the sister of the Crow brothers. There were 25 present for the anniversary dinner.

Eight New Teachers Have Recently Been Added to Hamlin School Faculty

Eight new teachers have been employed for the Hamlin Schools as a result of resignations, declares Superintendent C. F. Cook, who says two vacancies still exist on the faculty. The places are a first grade teacher and an instructor for seventh and eighth grade mathematics.

The new teachers are:

Mrs. Ethel Wainscott Allen, who has had 16 years' experience as teacher, will teach the first grade. She holds an MS degree from McMurry College of Abilene and received her BS degree from Canyon State Teachers College.

Jou Adams, a Hamlin young man, will teach social studies in the seventh and eighth grades. Jon has a BA degree from Texas Tech. He taught one-half year at Post and was reemployed by that school.

Mrs. Lily M. Hennington of McCaulley will teach language arts in the seventh and eighth grades. She received her BA degree from Hardin-Simmons University at Abilene. She has taught 18 years, the last 10 in McCaulley High School English department.

Mrs. Harvey Elkins will teach the third grade. Mrs. Elkins received her BS degree from Appalachian State Teachers College in North Carolina, with a major in elementary education. She has taught eight years, having taught the third grade at Aspermont last term.

Mrs. N. D. Miers will teach music in the Elementary School. Mrs. Miers received her BS degree from Texas State College for Women at Denton, her ME degree from McMurry College, and has a major in elementary education. She has taught public school music for a number of years, having 20 years' teaching experience.

Mrs. Weldon Johnson will teach social studies in the sixth and seventh grades. She received her BS degree from Texas State College for Women, and has attended Hardin-Simmons University at Abilene this summer. She will receive six hours in elementary education. Mrs. Johnson has four

years' teaching experience. She taught last year in the Noodle-Horn school.

Mac Fullerton will direct the bands in Junior High and high school. He received his BS degree from Hardin-Simmons University and master of music from North Texas State College. He has taught two years in public schools and one year in a special school. He taught at Colorado City Junior High last year.

Ellis Wamsley Jr. will teach and direct band in the DePriest School. He received his BA degree from Bishop College, and has done graduate work at Texas Southern University. He has had 11 years' teaching experience.

Mrs. Doc Neal has been employed as school nurse. She has worked for a number of years in the Hamlin Memorial Hospital, serving as night supervisor.

Willie Ails has been employed as custodian of the Primary building.

Bibb O. Townsend, Dies at Anson Home

Funeral services for Bibb Oliver Townsend, 82-year-old former farmer of the Hamlin community, were conducted Monday at the First Methodist Church in Anson. Townsend died Saturday morning at his home in Anson. Burial was in the Bethel Cemetery at Funston.

He and his wife moved to Jones County in 1898, settling in the Funston community. They moved to Hamlin in 1936, where Mrs. Townsend died in 1938.

Survivors include three daughters, three sons, 17 grandchildren and 20 great-grandchildren.

U. S. presidents who have died in office are Garfield, McKinley, Lincoln, Harrison, Taylor and Roosevelt.

Izaak Walton wrote "Angling may be said to be so like the mathematics that it can never be fully learnt."

Pioneer Day Group Plans Annual Meet

Guest house at the Hamlin Mid-west Cooperative Oil Mill was the scene last Thursday afternoon of 39 pioneer day neighbors of the Hamlin community.

Friends came from Fort Worth, Dallas, Anson, Stamford, Hamlin and Fresno, California. The afternoon was spent in visiting, singing old-time songs and reminiscing, playing forty-two and making pictures. Viewing old-time pictures was a feature of the get-together.

The group of early settlers voted to meet at the same place on the third Thursday in 1957, when a covered dish luncheon will start the festivities.

Old San Antonio Road, the oldest road in Texas, is 317 miles long.

Under-Age Kids To Be Accepted at Primary School

New plan of permitting under-age children to attend the Hamlin Primary School will be inaugurated this year, according to Superintendent C. F. Cook. Children who will be six years of age by January 1, 1957, will be accepted under the plan, he says.

Parents of the under-age children are asked to meet with the superintendent and Mrs. Fred Smith, Primary School principal, at the superintendent's office next Thursday, August 30, at 9:00 a. m. for registration of these children and discussion of the new plan.

At the request of Superintendent Cook the school board voted to use the plan this year. A tuition

Malouf's Joins Retail Dry Goods Store Unit

Malouf's Department Store of Hamlin has become a member of the National Retail Dry Goods Association, J. Dakins, association executive vice president, reports from New York City.

George C. Malouf has been named by the store to represent it in NRPGA activities.

Superintendent Cook declares that, after one month of school, if the teacher of an under-age child feels that a child is not ready for the first grade, withdrawal of the child will be requested.

Cotton Quiz

WHAT DID THE FIRST AMERICAN-MADE COTTON BROADCLOTH SELL FOR?

THE FIRST U.S. BROADCLOTH, MADE IN MASSACHUSETTS SHORTLY AFTER THE REVOLUTIONARY WAR, SOLD FOR \$16 PER YARD.

Christmas-in-August Provides Gifts from Sunbeams to Indians

Members of the Sunbeams at North Central Avenue Baptist Church are finding new variety in a Christmas-in-August project that has gained the attention of most of the members of that congregation, reports Rev. Woodrow McHugh, pastor.

The little tykes of the church started a gift gathering for the Indians of the Southwest recently, in cooperation with other church people of the region. The gifts are being assembled by missionaries to the Indians now in order to sort them and prorate them in December.

Directing the gift project are the Sunbeam leaders, Mrs. Bobbie Yearry and Mrs. Dorothy White.

Get inks at The Herald office.

Singers of Area to Gather at Stamford

Singers of Haskell and Jones Counties will meet Sunday afternoon, August 26, at the Four-square Gospel Church in Stamford.

Singing will get underway at 2:00 o'clock, and the public is invited to attend the songfest.

NOLAN-FISHER

NATIONAL FARM LOAN ASSOCIATION
SECRETARY-TREASURER'S OFFICE
FEDERAL LAND BANK LOANS

ROBY, TEXAS

TO SAFEWAY CUSTOMERS!

We're Sorry....

Sorry if you're not finding everything you want in our stores these days. But we have a strike on our hands that prevents us from operating normally. However, we're operating as near normal as possible and we'll keep our stores open until the strike is settled.

What the Strike is about....

Last week our mechanics union (18 members) in the truck repair shop went on strike, after turning down the best terms for a contract in the food distribution business in the area. Without a contract they have had the best wages and working conditions for food handlers in the area.

When the mechanics put up a picket line, many of our warehousemen and truck drivers, who also belong to a union, refused to cross the line. That's what has slowed down operations at Safeway's big Distribution Center at Garland where our warehouses are located. That's why our trucks cannot be loaded as rapidly as usual with supplies for our retail stores.

Wages offered our mechanics:

\$92.16 for a 47-hour week, which is an average of \$1.96 per hour. Plus 10¢ an hour bonus for night work. The offer represents an increase of 10¢ an hour for the first year of a three-year contract, 8¢ an hour for the second year, and 7¢ for the third year. Those are the terms on which a contract settlement was made with nearly 300 truck drivers and warehousemen last June 17.... It is a just and fair offer.

We are arranging for outside supplemental supply sources so that we can serve you as nearly like you want to be served as possible. We hope you'll continue to SHOP SAFEWAY during this strike period and we will do our level best to have everything you want.

200 Expected at Pied Piper Booster Group Feast Friday

Films of Games To Follow Feed At Field House

Order for barbecue supper for Hamlin High School football boys, coaches and fans will have to be double the 100 figure given in last week's Herald, if attendance indications are correct, it was announced this week by President Bobby Crowley of the Hamlin Pied Piper Booster Club, sponsor for the pre-season round-up and feast.

The affair is scheduled to get underway at 6:30 tomorrow (Friday) evening at the Pied Piper field house, in the north end of the football field. Barbecue and plenty of trimmings will be served to attendants.

In announcing final plans for the get-together, Crowley emphasized that everybody interested in giving the gridders and their coaches a send-off is invited to attend the feast and program that will follow.

After the barbecue, motion pictures of last year's Hamlin-Stamford grid battle will be shown. Two other films featuring McMurry College and Hardin-Simmons University teams also will be shown.

Quacksand is a bed of sand so water soaked this it engulfs anything that attempts to rest on it.

There are 316 mountains in Texas.

Junior High to Take Part in Conference Games Again in 1956

Hamlin Junior High School will participate again this year in a junior high school athletic conference in football, officials of the school announced this week. Games will be played on a home-and-home arrangement.

Coach Harry Martin will be greeted by about 30 eighth grade boys who will represent Hamlin Junior High on the gridiron. Prospects for a winning season appear very good, with the boys having more experience than in previous seasons.

An excellent intra-mural program will be set up for sixth and seventh grade boys, it is announced.

The football schedule for the year follows:

September 18—Albany here.
September 25—Merkel there.
October 2—Anson here.
October 9—Rotan there.
October 23—Albany here.
October 30—Merkel there.
November 6—Anson there.
November 13—Rotan here.

DRIVING BLIND ANYWAY.

It had rained hard. The windshield was covered with mud, and the car had narrowly escaped several collisions.

"Wouldn't it be a good thing to wipe off the windshield?" asked the anxious passenger.

"Not worth the bother," cheerfully returned the driver. "I left my glasses at home."

City Tournament Slated Labor Day Week-End at Club

Beginning Saturday, September 1, and extending through Monday, September 3, the Hamlin Lakeview Golf Club is sponsoring a Labor Day city golf tournament, according to President B. O. Bell.

This tournament is for all golf players in the trade territory of Hamlin, whether they are members of the Hamlin Golf Club or not. This also includes those players from Aspermont, Roby, Rotan and McCauley who play regularly on the Hamlin course.

Contestants will be grouped into eight player flights, except the 16 low qualifiers, who will constitute the championship flight for the tourney.

All flights will be played on a medal score basis, with the qualifying round counting as part of the final score. Each flight will be for 72 holes, enabling every player to go the full route.

In the championship flight, at the end of 36 holes, the low eight scorers will continue as the championship flight, and the high eight will form the first flight.

Eighteen holes will be played Saturday, September 1, another 18 Sunday and the final 36 holes will be played Monday September 3.

Prizes will be given the winner and runner-up in each flight.

Following the presentation of the prizes, there will be a chicken dinner, prepared by the club members' wives, served at 7:00 o'clock.

GODLY WATCH CARE.

The old Scot guide, just back from taking the new minister on a grouse shooting trip over the moors, sank wearily into his chair before the fire.

"Here's a cup of hot tea for you, Angus," said his wife. "And is the new minister a good shot?"

The old fellow puffed his pipe a bit, then answered slowly, "Aye, old woman, a fine shot he is—but 'tis marvelous indeed how the Lord protects the birds when he's shooting!"

Fall Training Camp for Pied Pipers to Open Monday for Tough Work-Outs

Fall training camp for football boys of Hamlin High School will open Monday morning, with a twice-daily work-out schedule, according to Head Coach Truman Nix.

Morning work-outs will be from 6:00 to 8:00 o'clock. The afternoon work-outs will be according to the weather.

Daily schedule for the boys will be as follows: Arise at 5:45 a. m.; on the field at 6:00 a. m.; work-out to 8:00 a. m.; breakfast at the cafeteria at 8:30; skull practice, 10:00 to 11:00 a. m. Boys living in town will eat lunch at

home, and those living in the country will eat lunch at the cafe.

Members of the varsity crew will have skull practice from 2:30 to 3:30 p. m. The B team boys who are not attending the camp will report for work-outs at 2:00 p. m. to 4:00 p. m. The varsity will then work out from 4:30 to 6:30 (weather permitting). Dinner will be served at the cafeteria, and lights will go out at 9:30 o'clock.

All four coaches will be on hand for the camp, and some phase of football will be going throughout most of the day, Nix declares.

"We will have about 35 boys in the pre-season work-outs," stated Coach Nix. A lot of individual work-outs will be given each boy.

"We are expecting a much better camp this year as we, the coaches, know the boys and the boys know the formations. We can spend the week working on football instead of getting to know each other as was the case last year.

"The public will be welcome to any of our practice sessions. In fact, we urge the public to attend the work-outs to show the boys you are interested in them," Nix continued.

The football fields are in excellent condition, the coaches pointed out, and everything is in fine shape to start the new season.

Seven boys were lost from the regular squad of last year, but some good boys are coming up from the B team, Nix calculated. "We feel we should be just a little stronger this year. Our success will depend a great deal on the loyalty and support of their team. Fans, remember a word of encouragement is worth more than a paragraph of criticism to a boy in athletics," pointed out Coach Nix as a parting gesture.

James Boyd Looks Good on McMurry Gridder Roster

James Boyd, son of Mr. and Mrs. R. I. Boyd of Hamlin, is one of about 60 candidates for the McMurry College Indian football team, which will open fall practice at Abilene September 1.

Boyd, a 1955 graduate of Hamlin High School, lettered three years with the Pied Pipers and won all-district honors in 1953 and 1954. He received honorable mention for all-state in 1954.

Boyd was a member of the McMurry traveling squad last year, and the coaches at the Methodist college said "he looked very good in spring training and may give some of the older boys good competition for the starting halfback jobs this fall."

Boyd is majoring in math, and expects to be called into the military service after he graduates from McMurry in 1959.

The McMurry football team, facing a tough schedule, will be hard put to equal its record of last fall when it won eight and lost only two games, for the second best grid record among Texas colleges and universities.

Young Tommy Ellis, starting his first year as head coach of the Indians, will have 14 lettermen returning. McMurry lost six all-conference starters by graduation. Ellis' assistants are Elmo Cummins and Stan Burnham. Pete Shotwell is athletic director at McMurry.

Romulus was the founder of Rome.

"Hot Flashes Stopped" or strikingly relieved

In 63-80% of cases in doctors' tests

If you're miserable from the "hot flashes," and accompanying irritable, restless feelings of "change of life"—you may be suffering unnecessarily!

For... in tests by doctors... Lydia Pinkham's Compound and Tablets brought relief from such functionally-caused suffering to 63% and 80% (respectively) of the women tested! Complete or striking relief!

Yes! Research has proved these medicines thoroughly modern in action... has shown you where to look for relief from those distressing, nervous, "out of sorts" feelings of mid-life "change!"

So... get Lydia E. Pinkham's Vegetable Compound or new, improved Tablets with added Iron! (Wonderful, too, for the functional pains of menstrual periods.)

It acts through a woman's sympathetic nervous system to relieve distress of those awful "heat waves!"

MAKING HER PLANS.

An elderly couple had been sitting in front of the evening fire a long time without speaking. At last the husband inquired: "What are you thinking about?" To which the wife replied: "I was just thinking how long we had lived together, and that it couldn't go on forever like this, and that the time will soon come when one of us will have to go."

"Yes," assented the old man, "but it is no use to worry about that now, mother."

"No," was the calm reply, "but I was just thinking that when it does happen, I would like to go to California to live."

Either was first used as an aesthetic in 1842.

What Grandmother did

that Granddaughter doesn't!

For one thing Grandmother spent 5 1/2 hours a day in the kitchen. Granddaughter doesn't—she spends about an hour and a half on the average.

Plenty of low-cost electricity is the biggest part of the reason why. There's more than enough to do your cooking, your mixing, your dishwashing, your water heating.

And the men and women at your electric service company are planning and building ahead so there will be plenty for granddaughter, too.

In fact, you can be sure of plenty of electricity always when you are served by an independent electric company like this one.

West Texas Utilities Company

First Norther of Season in Territory Triggers Lively Livestock Markets

The first norther of the season spilled cool air and some showers onto Texas over the week-end, and the cooler breezes triggered a snappy livestock market at Fort Worth, declared Ted Gouley, special market reporter for The Herald, in his weekly release. His report continues:

All classes of cattle and calves were active and prices were steady to strong. There were sales 25 to 50 cents higher spinked through the list, with the better quality and higher grading kinds usually showing the advances.

Prime steers again topped at \$25, and good to choice cattle scored \$20 to \$22. Replacement cattle and calves were very active and high grade offerings were scarce.

Comparative prices: Good and choice slaughter steers and yearlings, \$17 to \$25; common, plain and medium butcher cattle, \$10 to \$17; fat cows, \$9 to \$11.50; canners and cutters, \$5.50 to \$9; and bulls, \$8 to \$13.

Good and choice slaughter calves, all weights, netted \$14.50 to \$17; heavy beef calves to \$17.50 and \$18.50; cull, common and medium grades, \$8 to \$14.50; good and choice stocker steer calves, \$16.50 to \$19.50, quotable to \$20 or above; stocker steer yearlings, \$13.50 to \$17.50, some around 800-pounders to \$18.50; heifers for replacement purposes, \$2 to \$3 under similar steers; few stocker cows, \$8 to \$11.

The new paved parking area, which once was one of the South's most beautifully kept lawns, in front of the old Spanish style Livestock Exchange Building at the Fort Worth Stockyards, will be formally opened next week, according to announcement of

W. L. Pier, manager of the stockyards.

"In a city the size of Fort Worth parking is one of the most critical problems we have to contend with. It was with regret that we had to destroy the famous lawn at the yards which was live and green the year around. However, patrons of the market must have parking and so we have spared no effort in building one of the finest, most modern parking areas in the Southwest."

Strong shipper and stocker demand at Fort Worth Monday boosted prices 40 to 60 cents per 100 and raised the price of choice butcher hogs back up to the year's highest level.

Choice meat hogs topped at \$17.50 to \$17.75, and less desirable weights and grades sold around \$14 to \$14.75. Sows cashed at \$13 to \$14.50. Stags sold from \$5 to \$8.

Trade was active and quality considered prices were steady to strong at Fort Worth Monday. High grade offerings were again in small supply. Choice fat lambs topped at \$19, and medium to good kinds sold from \$15 to \$18, with cull and common sorts from \$10 to \$15.

Stocker and feeder lambs drew \$14 to \$16. Yearling muttons cashed at \$10 to \$16. Old ewers drew \$8 to \$12. Old ewes sold from \$3 to \$5; old bucks sold around \$4.

The continued improvement in fat cattle prices (some prime cattle above \$30 at Corn Belt markets last week) augurs well for the special stocker and feeder sales set for September at the Fort Worth stockyards. Angus stockers will probably number

CLIMAX FIDDLING RECORDS—Pete Daniels, 30-year-old Mount Vernon musician, rests after playing 17 consecutive hours to claim the world's endurance record for fiddle players. Daniels used a 100-year-old violin, made in Germany, which has been in his family for years.

2,500 in the September 7 event, and Hereford stockers will probably total over 5,000 in the September 21 event, according to early estimates.

Nation-wide buying strength will be attracted to the sales, and some of the Southwest's best commercial cattle herds plan entries. The improving fat cattle mar-

Funeral Services For T. N. Hemphill Held Saturday

Funeral services for Thomas Nugent (Nuge) Hemphill, 63-year-old retired farmer of the Hamlin community, were conducted Saturday afternoon at the Hamlin Church of Christ.

Hemphill died last Thursday evening in the Methodist Hospital at Lubbock after an illness of four months. He had lived in Lubbock about two years.

Officiating at the final rites were O. B. Proctor, minister of North Park Church of Christ in Abilene, and Austin Siburt, minister of the Hamlin Church.

Born in Williamson County on December 6, 1892, Hemphill moved with his parents to Hamlin in 1898, having lived here for 56 years. He married the former Rachel Davis at Hamlin on January 24, 1915. The couple moved to Lubbock in 1954, after retiring from the farm.

Burial was in the McCauley Cemetery under the direction of Hamlin Funeral Home. Pallbearers were Willard Maberry, Ray Maberry, Willie Fancher, Eddie Jay, Leonard Johnson and Harold Bonner.

Survivors include the widow, Mrs. T. N. Hemphill; three sons, Fred, Wayne and Glen Hemphill, all of Lubbock; one daughter, Mrs. Daphne Ivy of Plainview; one sister, Mrs. Leta Johnson of Dallas; and 12 grandchildren.

Comanche Countians To Meet at Lubbock

Sixth annual Comanche County reunion will be held at the Mackenzie State Park at Lubbock Sunday, August 26, according to officials of the reunion group. Hamlin area former residents of that county are invited to the all-day get-together. Lunch will be served at 1:00 p. m.

J. S. Seiter, president, declared that 500 or more are expected. Attendees are urged to bring a basket lunch. Ben Stephenson of Beattie will direct old time singing. Other officers are R. D. Cox, vice president; and Mrs. Mertie Morrow, secretary.

ket has generated strong stocker and feeder demand from principal feeding areas and is taken for an encouraging sign for strong prices in the special events.

WANTED—Old newspapers and magazines for our church.—Faith Methodist Church. Call 163-M or 741-J. 41-tfc

RESPONSIBLE PERSON, man or woman, from this area, wanted to service and collect from automatic vending machines; no selling; age not essential; car, references and \$600 investment necessary; seven to 12 hours weekly; nets approximately \$250 monthly; possibility full time work. For interview, include phone in application. Write Eastern Distributing Company, 11 N. Juniper Street, Philadelphia 7, Pennsylvania. 1p

Estimated Four Men To Go from County In September Draft

An estimated four from Jones County young men are expected to answer the September draft call. The September draft call for Texas asks for 687 men, compared to 536 for the same month in 1955, Colonel Morris Schwartz, state selective service director, announced Thursday.

This is the state's share of a national call for 14,000 men, all for the Army. The national call for September, 1955, was 10,000.

At the same time, Colonel Schwartz announced a September call on approximately half the state's draft boards for 1,140 to take pre-induction physical and mental examinations for future calls. He said that the boards not receiving a quota for these examinations in September already had been called upon to furnish men for examination in August.

The September quota will be filled with men who are 22 years of age or older on September 1, with the exception of delinquents or volunteers who may be younger.

First balloon flight in America was made by Jean Pierre Blanchard, a French pilot, in 1793.

MISS SUMMERTIME—Judy Jacobs of Kingsville was named Miss Summertime at Texas A. & I College over 13 other contestants who were nominated by fellow students at the school's summer session.

The Mormon Church was founded in 1830 by Joseph Smith in Fayette, New York.

Methodist Pastor Attending School of Missions in Arkansas

Rev. Darris L. Egger, First Methodist Church pastor, is this week attending the South Central Jurisdictional School of Missions at Fayetteville, Arkansas.

Accompanying Rev. Egger are Rev. C. R. Lemond, pastor of the Fairmont Methodist Church of Abilene, Gerald Murff of Rotan and Devin McAnally of Olton. Egger and Lemond are the ministerial representatives of the Stamford and Abilene districts, and Murff and McAnally are the youth representatives of the same districts.

Featured on the missionary program is the India Centenary Choir. The Centenary Choir is on tour of this country in observance of 100 years of Methodism in India. Appearing also will be returned missionaries who will tell of the work of the various countries and the increasing hostility toward American missionaries.

Rev. Egger is secretary of the board of missions and church extension of the Northwest Texas Conference.

Jack Johnson was the last negro heavyweight boxing champion before Joe Louis.

VISITING IN HAMLIN.
Mr. and Mrs. John Battle and children of Othello, Washington, are visiting in the home of her parents, Mr. and Mrs. C. R. Faulkenberry. Other guests in the Faulkenberry home have been Mr. and Mrs. J. C. Kinsey and children of Imperial.

The U. S. Marine Corps was founded in 1775.

No matter how big or small the repair required on your watch, you can count on the same diligent care from our master watchmakers.

And our prices are just as friendly. Come in today.

Security is everyone's byword in this era of tension, anxiety, and bristling competition. It's the goal of government, industry, business, family, and nations.

Security generally means being sure of something, or even someone. But, no one gets security without giving. It is not self-accomplished. Other people and factors contribute in providing our security.

Above all, God alone is the source of security and serenity. Society cancels out our security with finality when we run afoul of its standards, whereas God endows us with the privilege of obtaining forgiveness and mending our ways.

How secure are we against the disasters and perils of life and against our own imperfections? To find the answer, turn to God's Church where we will find the fountain of security.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

New Hall Lockers at Junior High Installed

New hall lockers for seventh and eighth grade students have been installed this summer in the Junior High School, it was announced this week by Principal Marvin D. Carlton.

These lockers will permit each teacher to have a room and will allow the pupils to change rooms rather than the teacher. It is felt that this is a definite improvement in that it will allow better supervision of pupils and allow more flexibility of the school program, Carlton said.

Homer Raney's Visit Del Camino in El Paso

Mr. and Mrs. Homer Raney of Hamlin were recent guests at Del Camino in El Paso. They are presently on an extended vacation and pleasure trip through the Southwest, travelling with two other couples.

During their stay at Del Camino they also had the opportunity to see the neighboring communities of El Paso and Juarez, the two largest cities on the Mexican border.

Billy the Kidd is buried at Lincoln, New Mexico.

RUDE AWAKENING.

The little girl was heart-broken over the death of her pet canary, so her parents arranged an impressive funeral for the departed musician. The bird was put in a cigar box and buried in the garden. After the service was over, the tot whispered to her dad:

"Do you think my little canary will go to heaven?" she asked.

"I imagine so," replied the father. "Why?"

"I was just thinking," she mused, "how cross St. Peter will be when he opens the box and finds it isn't cigars after all!"

The Treaty Oak tree in Austin is 500 years old.

MORAL SUPPORT.

On the first day of school the teacher was asking each of the first-graders to tell his name and what he wanted to be when he grew up.

One little tow-head spoke up importantly: "I'm Jimmy. When I grow up I'm gonna be a lion tamer. I'll have lots of fierce lions

and tigers, and I'll walk in the cage and . . ."

He hesitated, then continued, "but, of course, I'll have my mother with me."

There are two tombs of the Unknown Soldier—one in Washington, D. C., and one at Fort Worth, Texas.

Every Purchase You Make

In a Home-Town Store . . . Is Just Like

Putting Money in the Bank

... a bank you can draw on for customers, a job, friends in time of trouble, schools for your children, churches for spiritual help . . . and the good life in this community . . . where everybody is Somebody

Every time you spend a dollar in this community for goods and services, a substantial part of that dollar automatically becomes an investment in an enriched social and business life for YOU and your family and friends.

It's an investment you can draw on every day of your life . . . an investment that pays big dividends in happiness and prosperity, as it strengthens and builds up the vitality of this area in which you live . . . and in which YOU are important.

Contrast this with what the community-building and supporting part of your dollar does for you when you spend it away from home, send it to some mail order house, or surrender it to some migratory peddler.

It's gone. To support some other area . . . to build up wealth that YOU can never draw on . . . and to strengthen those who aggressively drain off the trade of your community . . . to weaken your business, your schools and churches, to eliminate your job, and devalue your property.

It Pays to Buy where You Live

Of all the business establishments in the world — only those in Hamlin are sincerely interested in the future of Hamlin and in the future of YOU who live here . . .

Yes, folks, after several weeks of arranging and preparation we are finally ready to stage the formal opening of Hamlin's newest and most complete Tire and Appliance Store, in the Bowen Pope buildings formerly occupied by The Hamlin Herald and the Ideal Steam Laundry, 111 South Central Avenue. Open house will be conducted next week-end—Thursday, Friday and Saturday, August 30 and 31 and September 1—and we invite the people of this trade territory to come and visit us.

Special souvenirs will be given everyone who visits us any of the three opening days, and prizes worth hundreds dollars will be awarded. (See list to left).

When you come in, check the numerous values in home appliances and auto accessories. You'll be glad you did!

H. & M. Tire & Appliance

111 South Central Avenue

JOE HUDSPETH, Manager

Hamlin, Texas

IT TOOK a national Democratic convention to do it, but the public last week lost sight of the spitting antics of Ted Williams.

We thought for a while that whether Ted spit or didn't spit was going to steal the thunder from Truman's Harriman antics.

But only in the United States could a baseball player spit—and make \$4,200 profit and cost the federal government \$4,200 in taxes.

It happens this way: Ted, a \$100,000-a-year player, was fined \$5,000 by his club for spitting at the fans.

For tax purposes, the \$5,000 is a business expense since he must pay to continue to play ball. Thus his taxable income drops by \$5,000.

Since Ted's tax rate is 84 per cent the government loses \$4,200 of the amount and Ted only \$800.

But fans are planning to give him \$5,000, which as a gift is not taxable. In that case, the ball player stands an \$800 loss and a \$5,000 gain for a net of \$4,200.

Don't go west young man—just stand and spit!

A LITTLE GIRL who probably had done considerable observing is the author of the following ode:

Husbands is the people that your mama marries, and she always wishes that she hadn't picked out the one she did; but I don't know why, because husbands all look alike to me.

I guess husbands is a kind of fish, because I heard some ladies say that Miss Sadie Jones was fishing for Mr. Brown. But they didn't think she would ever hook him, and when I asked my papa what that meant, he said that it meant that men were suckers. And that if they weren't, none of them would ever get married.

UNCLE NED is a new columnist in The Merkel Mail. We let him write this portion of our column this week with—

Democrats are gnawing away at the Republicans at their national convention in the big city of Chicago this week. If you have time to look at it on TV you can learn a lot at this gathering.

The convention offers folks like us a chance to learn how our government is really run. The less informed ones may think they vote for the "person" but what they really do is vote for the party.

Learning something about politics is like eating cotton candy—it takes a lot of it to taste, and even then you haven't got anything!

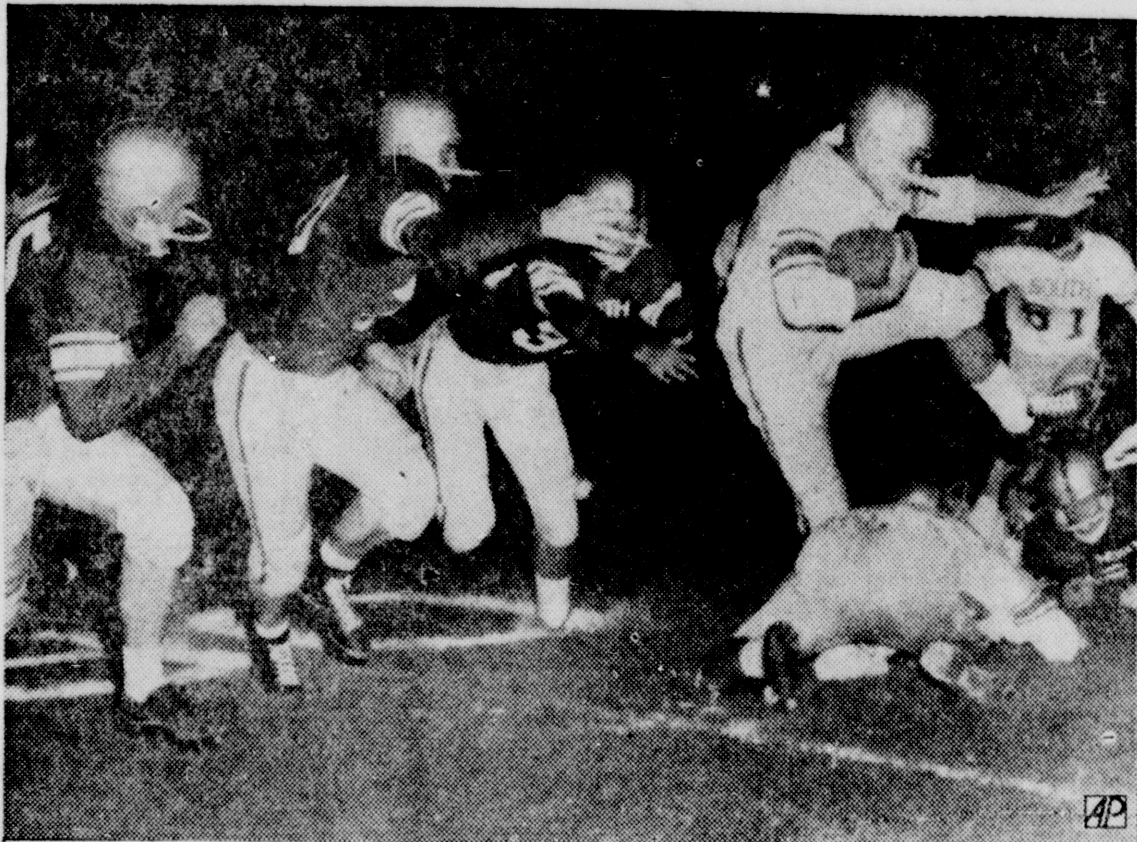

When voting time comes around the little man has the authority to hire and fire the big man, from the chief executive on down into the city officers. He does this with the mark of a pencil. Whom he hires and whom he fires is entirely up to him. He wields a big stick only if he votes.

WHEN PRINCIPLE is involved, when it's a case of right against wrong, the welfare of the many, then we have no apologies to make for supporting the side we believe to be right, declares the editor of a neighboring newspaper, who speaks the sentiments of most of us. He continues: The cause is much greater than any individual concerned.

We attempt to temper everything we write with the overall principle of fairness and justice, whether or not it is to our personal advantage. For instance, we believe in justice to New England as well as to Texas, even though we are not directly affected by what happens to New England. We believe in constitutional government, obeying the supreme law of the land, whether we approve or disapprove of its provisions.

More and more in political circles we are hearing an expression which we believe is here to stay. It is "the moron vote."

Unlike "the lunatic fringe" which the big papers coined for use against Democratic voters, "the moron vote" has no political implications. It refers to those voters of all and no parties who cast irresponsible votes. It refers to those voters with below normal political IQs, those who vote but who lack the political intelligence to vote intelligently.

TROUBLE IN TRIPPLICATE—Gordon LeBout of Port Neches and of the South Team, leaps over a teammate as he runs back a kick in the all-star high school football game at Lubbock, concluding the Texas High School Coaches Association Coaching School at Texas Tech. LeBout is about to be stopped by three oncoming Northerners. The North Team won the game 32 to 13. Four Hamlin coaches were among the more than 1,900 attending the school.

Run-Off Election Saturday to Bring Out Moderate Voting

Sheriff's Race in Spotlight Along With Governor's

Better-than-usual interest in a run-off primary election is being shown by Hamlin area voters in the balloting scheduled for Saturday, if The Herald is able to interpret the concern of people.

Of course, the only local race of interest is that for sheriff, in which Sheriff Dave Reves, serving his second term, is being contested by O. D. (Doyle) Woody. Reves lacked less than 200 votes getting a majority over two opponents in the first primary in July. He polled 2,108 votes to 1,236 for Woody and 1,066 for E. M. (Roe) Isbell.

On the state level the race for governor of Texas has held top interest. U. S. Senator Price Daniel is being pushed by Ralph Yarborough, who twice before has been defeated for the post. Daniel led Yarborough by a big vote in the first primary that eliminated four others.

The second primary ballot will be a short one, and voters should be able to attend to the voting chore in one minute or less.

The usual voting boxes and voting time will be observed in the Saturday polling.

Anniversary Services For Oak Grove Pastor Set This Week-End

Beginning this (Thursday) evening at 8:00 o'clock at the Oak Grove Colored Baptist Church will be the fifth anniversary services of the pastor, Rev. J. L. Johnson, and wife, church leaders announce.

The public is invited. Visitors are expected from Abilene, Stamford, Munday, Haskell, Aspermont and Sweetwater.

Singing by visiting choirs is scheduled each evening through Sunday. Rev. E. James Odom of Abilene is to bring the message Thursday evening. Rev. M. H. Harris of Stamford will bring the message Friday evening, and Rev. H. D. Cumby of Abilene will speak Sunday afternoon.

H. & M. Tire Concern Sets Formal Opening

H. & M. Tire and Appliance store is due to stage its formal opening next week-end, it is announced this week by Joe Hudspeth, manager and co-owner.

Free souvenirs, including orchids for the first 100 ladies on hand, are due to be given at the open house next Thursday, Friday at Saturday, August 30, 31 and September 1, Hudspeth says.

HI, POP!—John Daniel, eight-year-old son of Senator Price Daniel, leaps into his dad's arms to greet him after Daniel finished a full day of campaigning. John, who had been spending a few days with his aunt in Austin, greeted his father at Mexico.

District Baptists To Meet Friday at Calvary Church

"Qualifications for Service" will be the theme of the monthly meeting of the young people of the North Colorado District of Baptist Training Service, which convenes Friday evening with the Calvary Baptist Church in Hamlin, according to Rev. W. C. Rea, pastor.

Merriam Simpson of Anson, president of the youth group, will preside for the gathering of representatives from eight counties in the district.

The program for the gathering follows:

Chorus Singing, Calvary Junior Choir, Business.

Introduction of Program, Calvary Church.

"Come to Christ," Aspermont; alternate, Stamford.

"Go for Christ," Jud; alternate, Colorado City.

"Trust in Christ," Haskell; alternate, Sunset of Hamlin.

"Act Like Christ," Palava, alternate Anson.

Special Music, Bethel.

Bible quiz led by Mrs. Archie Carson of Calvary Church. Each church is requested to choose one boy and one girl to compete in the Bible quiz. The quiz will be conducted on the order of a spelling bee.

PEP SQUAD TO MEET.

First meetings of the Hamlin High School Pep Squad will be at 9:00 o'clock on Monday and Tuesday mornings, August 27 and 28, announce leaders of the girls' pep group.

High Schoolers to Begin Registering Monday Morning

As time for opening of the new 1956-57 school term nears, High School Principal Newberry repeats that high school students will enroll early, beginning next Monday. The following enrollment schedule is announced:

Seniors—Monday, August 27, from 9:00 a. m. to 10:30 a. m.

Juniors—Monday, August 27, from 10:30 a. m. to 12:00 noon.

Sophomores—Tuesday, August 28, from 9:00 a. m. to 10:30 a. m.

Freshmen—Tuesday, August 28, from 10:30 a. m. to 12:00 noon.

Weekly meal tickets for the Primary, Elementary and Junior High School are \$1.50 for the week.

The following fees are charged when students register or arrangements made at that time for payment later: Every student pays \$1 per year library fee. Students enrolled in typing pay \$2.25 per semester or \$4.50 for the entire year.

In the event students are not able to enroll according to the above schedule, Newberry announces, they may wait until the first day of school on Tuesday, September 4, to register.

The advance registration is conducted to aid the teachers in arranging class schedules with the least conflicts.

CONVENTION HIJINKS—A pretty girl never hurt any convention parade and these Texans knew it as they carried Betty Grant of Whitney down the aisle of the convention hall during the Democratic national convention in Chicago last week. They were part of the delegates in demonstration for Senator Lyndon Johnson.

Hamlin to Aspermont Highway Project Will Cost Half Million

Area People Will Attend Roby Fair And Rodeo Event

Scores of Hamlin area people will be among the hundreds who will attend the eleventh annual Fisher County Fair and Rodeo this week-end at Roby.

Opening Thursday, the celebration will continue through Saturday.

Despite the fact that drought conditions have hurt crop production in much of the Fisher County country, some good crop exhibits will come from scattered areas, declares County Agent James Norman, who with the home demonstration agent, is arranging the exhibits. Fine livestock likewise will be a little scarce, but some good animals are expected for the fair.

Entertainment feature of the three-day celebration will be the three nightly performances of the Fisher County Amateur Rodeo. Glenn Webb of Claytonville, president of the rodeo association, declares many entries have come in for the rodeo events to assure a rousing show of highly competitive events, in which \$1,500 in prizes are offered.

Goat Mayo of Petrolia is furnishing riding stock for the tough riding events. A girls' barrel race has been arranged for the cowgirls of the area.

Rabbit Jumps Thru Windshield of Auto

Mr. and Mrs. J. C. Farmer, living southeast of Hamlin, had an extra passenger as they went to Church at Hanna about dusk Monday. But he entered their car a little unethically—through the windshield.

As they drove along toward the church a cotton-tail rabbit jumped up on the hood of their 1955 Chevrolet and knocked a hole in the windshield.

The rabbit was not killed, and after giving him first aid, the animal was released several days later with a broken hip and a gashed head.

11 Professions Result From Sunset Revival

Eleven professions of faith and three additions by letter were the visible results of the 10-day series of revival services that closed Sunday night at the Sunset Baptist Church, according to Rev. R. B. Tiner, the pastor.

Doing the preaching in the revival was Rev. James Harvey, pastor of Park Place Baptist Church in Abilene.

BUSINESS AS USUAL—A fire which destroyed the First State Bank of Tuscola didn't stop the normal banking business. Just a few hours after the blaze, Mrs. Allie Mae Marshall, assistant cashier, was using the local feed store to transact business, with Deputy Sheriffs C. G. Bradford and Gene Howell standing guard.

Bolt of Many Democrats For Ike Seen in State Vote

Hamlin territory, probably like much of the nation, has been buzzing with varied reactions to the political conventions that were underway last week and this at Chicago and San Francisco.

Many conservative Democrats will shun Adlai Stevenson and vote for Dwight Eisenhower again this year, it was indicated. And this trend was not only reflected in these parts. State Committeeman Bill Brown of Fort Worth, back from the Chicago convention of Democrats, when asked if conservatives would back Stevenson in the presidential race, declared:

"That remains to be seen. But I think Eisenhower will come very close to carrying Texas again this year."

To make a close fight of the contest in Texas, Eisenhower would need strong support from Conservative ranks since Loyalists will back Stevenson.

Brown termed the Democratic civil rights platform plank more acceptable to Texans than the plank which the party adopted in 1948 and 1952.

"The plank this year represents

200 4-H Clubbers at Watermelon Slicing

Approximately 200 4-H Club boys and girls and their families attended the annual 4-H Club watermelon party at the Anson City Park Friday.

The activities started with a swim and were climaxed with a watermelon slicing.

Adult and junior leaders who helped with the party included Woodrow Bagley, Kenneth Martin, Carlton Sasser, Jimmy and A. H. Roberts and John Mitchell, all of Anson.

Swimming Pool to Be Closed on Week-End

Last swimming sessions for the current season at the Hamlin swimming pool are due to be held this week-end, it was announced Wednesday by Jess Parish, pool manager.

People of the community wanting to get in their last flings at the pool, are urged to take advantage of the facilities there by Sunday evening.

20 Mile Stretch To Be Widened And Resurfaced

Nearly half a million dollars will be spent on a major highway improvement program from Hamlin to Aspermont, a distance of approximately 20 miles.

The work was authorized last week when the contract for the project on U. S. Highway 83 in Stonewall, Fisher and Jones Counties was awarded to Ivan Dement of Amarillo on a low bid of \$463,946.93 by the Texas Highway Commission at Austin.

Work was due to get underway soon on the project, which will include widening of drainage structures, base and hot mix asphaltic concrete pavement. Completion of the work is due in 150 working days, according to J. C. Roberts, district highway engineer at Abilene.

C. W. Westbrook, resident engineer at Hamlin, will be in active charge of the project while under construction.

500,000 Farmers of Nation Sign Cropland

Approximately 500,000 farmers in the nation had signed 10,720,749 acres of cropland under the soil bank by July 27. They can earn nearly \$225,000,000 if all requirements are met.

In Texas, 60,101 agreements have been signed. These involve 1,819,507.3 acres. Texas signers by complying with all soil bank program requirements can earn \$22,268,899.

Cotton leads in Texas with 46,832 agreements, 830,668 acres and \$16,102,108. More acreage involving wheat has been contracted, with a total of 952,708 acres, but payments to be earned total \$5,524,542.

Opening of DePriest School Set Monday

Good enrollments are expected in all sections of DePriest Colored School of Hamlin when it begins the new session Monday morning, according to E. S. Morgan, principal.

Several new courses are due to be taught this year at DePriest, with the addition of a science department and laboratory.

Superintendent of Schools C. F. Cook Looks Forward to Successful Term

any I have ever served as superintendent.

I have already stated that I know I have been in error many times this past year, but I would like to be a better superintendent the coming year. I can be better if you good people will be as considerate as you have been in the past. I want you to feel free to come to me on any school problem. I am working for all the people in this community, so please come.

If your child is not doing as well as you would like for him to do, please visit the principal of your child's school, also his teacher. They will be happy to work with you and your child.

Please check your child's report each six weeks. That is the reason we send them out.

W. L. Boyd Well No. 6 Gauges 107 Barrels

Trans-Tex Drilling Company of Shreveport last week completed its No. 6 W. L. Boyd well as a new producer in Fisher County's Judy Gail (Canyon) Field, four miles northwest of Hamlin. It is in Section 191, Block 1, B. B. B. & C. Railway Company Survey.

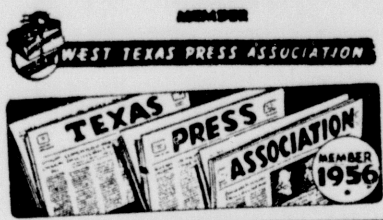

Daily potential was 107.94 barrels of 39.6-gravity oil and 10 per cent water, pumping from 70 per cent formations at 4,550-68 feet. Total depth was 4,625 feet, with casing set at 4,620 feet.

Entered at the Post Office at Hamlin, Texas, for transmission through the mails as Second Class Matter, according to an Act of Congress, March 3, 1879. Any erroneous reflection upon the character of any person or firm appearing in these columns will be corrected, gladly and promptly, upon its being brought to the attention of the management.

SOIL BANK PAYMENTS UNFAIR TO DROUTH AREA

In its clamor to relieve the bad situation of our nation's farmers through the recently adopted and inaugurated soil bank program, the administration is all but by-passing the very farmer who needs help most—the drouth farmer, points out an exchange newspaper coming to our desk.

Payments have already begun for those who choose to relieve surpluses by plowing under crops or letting potentially productive soil remain idle. But for the farmers whose land refuses to grow crops because nature's water supply has been temporarily withdrawn no help is forthcoming.

The intent of the program passed this year by Congress is to base soil bank payments on normal production, with the main purpose being elimination of surpluses.

A realistic interpretation of the measure would base consideration on production from a normal 10-year period. As it stands now, payments are being based on this season's

potential production. This leaves hundreds of drouth-ridden Texas farmers out in the cold with a small token crop failure sum, plus the right to graze their grassless lands.

Are the drouth farmers, whose crops failed to come up, relieving the surplus problem any less than those who set aside productive land for the same purpose? Our parched but otherwise fertile farms are just as idle as any soil "banked" in producing areas this season.

The soil bank system should not reward a man for plowing under a productive crop and then penalize a man for having a crop failure. The results are the same in both cases. Neither produces a surplus of goods—if that's what the program is for.

The soil bank could be one of the easiest means of providing vitally needed aid to farmers suffering from drouth. The matter of interpretation is the key that can mean the difference between relief and repression to our farm people.

New Ideas Come Simply

A man worked in a printing plant once who had poor health. He found that it helped him in his work to stand on a rubber mat. The shock of the machinery was lessened, and he had more strength for his work.

Other workers in the shop noticed the mat, thought it was a fine idea, and whenever he would leave the machine, they would come and borrow the mat. The printer would come back and find the mat gone. Displeased with this arrangement, the printer thought to improve the rubber mat idea. He cut pieces of rubber into little squares and nailed them on the soles of his shoes. In this way he carried his mat with him wherever he went.

It worked so well that the other men in the shop came and asked him to make rubber mats for their shoes. Before long the "rubber mat man" was busy every noon cutting out rubber heels for his shop mates.

The man's name was O'Sullivan. That wasn't the last idea in the world. For every old idea there are a thousand new ones, undiscovered and untried. Next to character, ideas are the most valuable things. And it doesn't take any money to get one.

Now, those rubber heels are made by the hundreds of thousands and sold all over the world. The business was born when O'Sullivan let an idea come into his head. The little idea developed into a great industry that has made life easier for thousands of men and women.

In His Own Dooryard

He had traveled half a thousand miles to look up a job. He was weary of his "peanut stand" business, and to the great metropolis he had gone to find a job that was a job.

"Yes," said the man, "I have a job for you. But you are overlooking the job in your own dooryard. The vision you have of a job here has just as many drawbacks in it as you see in your own little business. Your own little business offers possibilities far beyond anything that this greatest city in the land can offer. It can be developed into a business that will bring you more money and more power than this city can offer you."

With that the man outlined briefly the steps that could be made to develop the little peanut stand into many peanut stands, big and little. "Why, in ten years," he said, "you can have a chance to buy and sell me and all I own; you can come to our city as often as you like. Yes," he concluded, "I have a job for you—if you want it."

The visitor paused a moment. He had come 500 miles for this offer. There it was—his key to the big city, and the end of the peanut stand.

"No," he announced, "I do not want it. I'll dig the gold in my own dooryard."

Happiness Our Goal

The world is our home... that we cannot change. Humanity is our family. Happiness is our goal—but harmony will never prevail until we learn to dwell in peace with our fellow men and our families.

Our religion must be based on good old fashioned brotherly love—the simple principle of doing good to others as we pass through life. This must be our aim and constant endeavor. Not just because it seems to be the right thing to do but because it is the only sound, practical and workable way in which we can make our earthly home a harmonious place in which to live.

This should be our approach to happiness—it should reflect our outlook on life as we hope to enjoy it and as we should try to live it.

If we could only earn 1956 wages, pay 1925 prices and 1915 taxes, we would be sitting pretty.—West Grove, Pennsylvania, Independent.

Editorial of the Week

MORE THAN FRIENDSHIP

Much has been written through the ages on the subject of friendship. We have devoted several of these columns to the subject from time to time. And we would not discredit any of the beautiful tributes which have been dedicated to friends.

Friends have an inestimable value in times of trouble, sorrow and grief; when we have needs that only a friend can supply; and also in times of gaiety and happiness.

But if we are to cope with the problems of life effectively, we must have resources greater than mere friendship.

Just as young married couples soon discover that they cannot live on love alone, so it is that even the best of friends learn that despite their sincerity, humanity becomes a limitation.

Friendship often is dampened by passage of time, distance and new interests, even though it is against the wishes of those concerned. We can never be sure that a friend will be present to comfort just at the time he is needed. And even should he be, there are problems of life that even a friend cannot solve.

More dependable than friends are those divine resources which are ever constant in their availability and effectiveness, even the Friend which sticketh closer than a brother.

Mankind is constantly subjected to the storms of life, to the mighty waves which constantly beat against our frail frames. Death, failure of health, financial reverses, disappointments, loneliness—these are only several of a long list of enemies which are ever lurking around the corner.—The Tulsa Herald.

RECALLING Other Years

Being news items taken from old files of Your Home - Town Newspaper, The Herald.

TWENTY YEARS AGO.

News notes of interest in the Hamlin community 20 years ago included the following, reprinted from the issue of The Hamlin Herald dated August 21, 1936:

Monday night as Carl Bingham, 22, and J. D. Hayes, 15, were closing Loy Fry's Limit Cafe, a young man held them up, taking money just taken by the employees from the cash drawer, at the point of a pistol. After marching them west of the Spencer Lumber Company, the two captives pounced on the robber, and overpowered him even though his gun went off. He was turned over to City Marshal Miles. In a hearing Wednesday at Anson, it was established the hold-up man was from Aspermont. His trial has been set later.

Roland Colman, Claudette Colbert, Victor McLaglen and Rosalind Russell are featured at the Ferguson Theater in "Under Two Flags."

Hamlin Schools will open September 4, it was announced this week. Several new faculty members have been announced elected for the new term.

Residence of Mrs. H. B. Lewis, two and one-half miles northeast of the Flat Top School, was burned Sunday afternoon about 3:00 o'clock.

Elizabeth Fraser of Houston is guest of her uncle, Paul Fraser, and wife.

TEN YEARS AGO.

Among goings-on in the Hamlin community 10 years ago were the following, as recorded in the issue of The Hamlin Herald dated August 23, 1946:

Haskell Carter, long time member of the Lions Club at Hamlin, has been named deputy district governor by R. E. Gracey of Roscoe, district governor.

Unavoidable automobile accident two block south of the Santa Fe depot Sunday evening resulted in the death of Mrs. M. E. Messick, 66, of Hamlin. The victim was struck by the car driven by Vernon Shira as she attempted to cross Central Avenue.

Cotton loans rates for the 1946 season have been set by the government at 22.83 cents per pound.

Many area ranchers are selling off their livestock because of pasture and feed shortages caused by the prolonged drouth.

Hamlin's first bale of 1946 cotton arrived in town Thursday morning and sold for 37½ cents per pound. It was grown by Buddy Jenkins on the Joe Sauls farm, eight miles northeast of Hamlin.

Hamlin High School boys of the Future Farmers of America chapter have been touring area farms, inspecting the club project calves of the various students during the summer. Accompanying the boys has been T. C. Blankinship, VA instructor at the school and sponsor of the group.

FIVE YEARS AGO.

Among happenings of the Hamlin community five years ago were the following, reproduced in brief from the issue of The Hamlin Herald dated August 24, 1951:

Contrary to reports circulated in the Hamlin section the past several days, the T-P Coal & Oil Company oil camp, seven miles northwest of the city, will not be moved, according to a report from T-P officials.

First bale of 1951 cotton was brought in to Hamlin Saturday by H. D. Bennett of the Flat Top community. Second bale was brought in Wednesday by Leon Anderson of Aspermont.

New equipment for the vocational agriculture department at Hamlin High School will be among the best available, according to School Superintendent I. R. Huchingson.

ONE YEAR AGO.

News items in the Hamlin community of one year ago included the following, condensed from the issue of The Hamlin Herald dated August 19, 1955:

Ed Croan this week became manager of the Winn Variety Store. He comes from Den'ou. He succeeds Cliff Switzer, who has gone to the Winn store at Graham.

A special city election to name a member of the City Council to fill the vacancy caused by the resignation of Delma Shelburne has been called for September 13.

I. R. Huchingson, who has been superintendent of Hamlin Schools for nine years, has accepted the position of executive secretary of the Texas Lions Club Crippled Children's Home at Kerrville.

First bale of 1955 cotton was brought in to Hamlin Monday by R. J. Waddle, farming six miles southeast of Hamlin.

Motorists of Hamlin Area Urged to Fit Traffic Habits to Pattern of Road

"Don't be a traffic misfit—the fellow who's out of step is out of luck!"

That warning to was to Hamlin area motorists this week by E. C. McFadden of Dallas, president of the Texas Safety Association, as he discussed the share-the-road program of the Texas Safety Association, the Department of Public Safety and the National Safety Council. This program is being conducted in cooperation with the slow-down-and-live program of the National Conference of State Safety Coordinators.

"Safety on the highway depends to a great extent on the smooth, even flow of traffic," McFadden said. "Whenever you interrupt this flow you're in trouble—and so are the drivers around you. Here are a few examples of stunts that will foul up traffic in a hurry."

"Stopping suddenly can cause an aggravating pile-up of the cars behind you. Making a turn from the wrong lane is sure to jam things up in the lane you barge into. Hugging the bumper of the car ahead makes you a sitting duck for a serious accident if the fellow in front stops suddenly."

"Speed is another thing that must be adjusted to the traffic flow," he said.

"If you go barreling down the road faster than the drivers

around you, you're likely to tangle with them," he declared. "But it's not safe to drive too slow, either. You can throw a monkey wrench into the traffic patterns if you force every other car on the road to take chances getting around you."

He advised motorists to drive at a rate of speed that fits in smoothly with the speed of the cars around them. He said this is especially important when driving on super highways, where higher speed gives the driver less time to think in an emergency situation, and increases the severity of any accident he may have. "Remember, you're not alone on the highway," McFadden reminded. "Share the road if you want to stay safe."

11 Additions Result In North Central Meet

Eleven additions to the church and seven professions of faith resulted in the 10-day revival meeting that closed Sunday evening at the North Central Avenue Baptist Church, according to Rev. Woodrow McHugh, pastor.

Doing the preaching in the series of services was Rev. T. W. Teel, pastor of the Blackwell Baptist Church.

Birth Certificates Required of First Graders at School

Children entering school for the first time Tuesday, September 4, and who did not bring their birth certificates for the pre-school registration last spring, must have their birth certificates, points out Mrs. Fred Smith, principal of the Primary School this week as she directs preparations for the opening week after next. The Primary Tuesday, September 4, when the children will register and remain for regular classes.

Lunch will be served in the cafeteria. The first graders will be served at 11:00 o'clock, the second graders at 11:20, and the third graders will be served at 11:40.

Tickets may be purchased or a child may bring 30 cents for his lunch each day. A month's ticket good for 20 meals sells for \$5, thus saving the purchaser \$1. A week's ticket of five meals sells for \$1.25.

The first and second grades will be dismissed at 2:40 p. m. All children who ride the bus or wait for an older sister or brother will wait in the room designated bus room until the buses run at 3:40.

Attendance at City's Sunday Schools Sags Below Week Previous

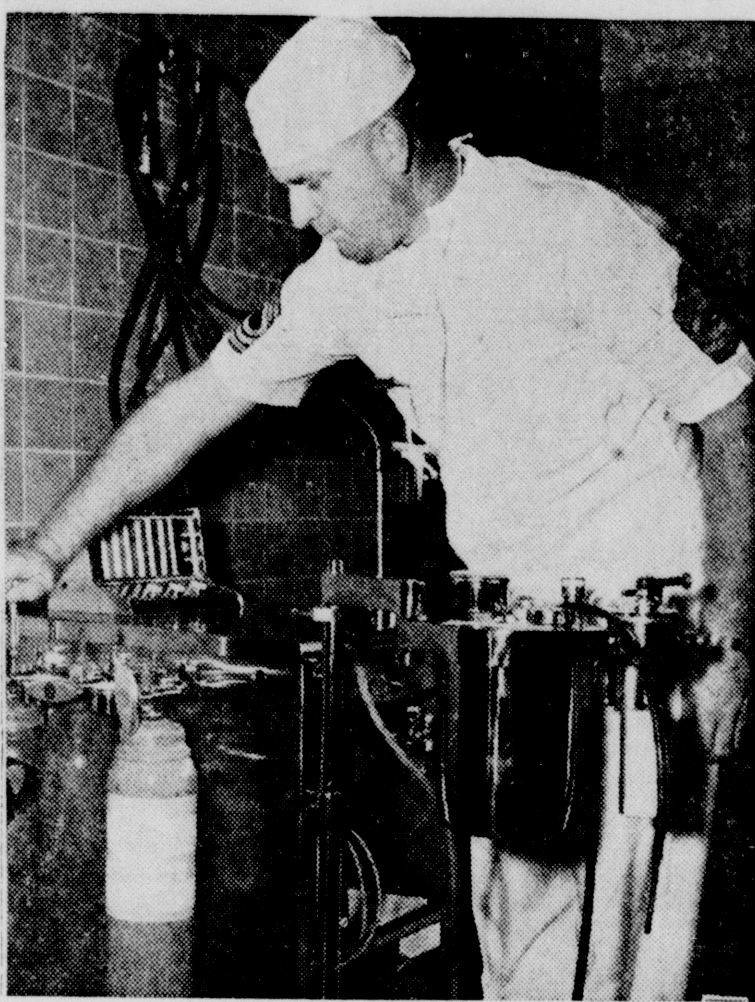

Attendance at Sunday Schools of the Hamlin churches showed a decline Sunday from the previous week as well as a drop from the year-ago figure. One churchman declared it must have been the "norther" that kept people away Sunday.

Attendance by churches for August 12, August 19 and a year ago follow:

Churches—	Aug. 12	Aug. 19	Year Ago
First Baptist.....	366	351	407
North Cen. Baptist 76	74	71	
Oak Gr. Col. Baptist 65	50	66	
Mexican Baptist.....	54	48	65
Ch. of Nazarene.....	94	94	98
First Methodist.....	193	160	183
Foursquare Gospel.....	71	70	74
Faith Methodist.....	48	54	34

Calvary Baptist.....	54	40	60
Pentecostal.....	20	—	25
Assembly of God.....	45	40	42
Totals.....	1303	1177	1282

The three branches of government in the U. S. are the legislative, executive and judicial.

The third grade will be dismissed at 3:40.

ENJOYING WARM WEATHER—Master Sergeant William L. Phelps checks anesthesia equipment in an operating room at Brooke General Hospital where he is enjoying the hot South Texas weather after three cold weather assignments—two of which were in the arctic.

Seven-Year-Old Girl, Suffering with Polio, Gets Gift Every Day

Having a confining case of polio is no fun for anybody, but a popular little miss of Hamlin is being cheered up through her ordeal of spending time in bed at the Hendrick Memorial Hospital at Abilene by thoughtful friends back here at home.

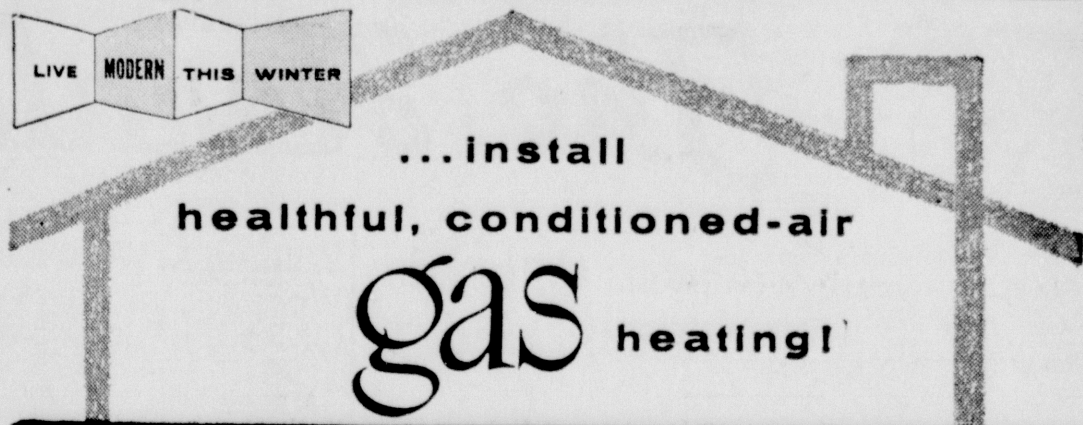

Barbara Keith, seven-year-old daughter of Mr. and Mrs. Roy Keith of Hamlin, is being supplied a gift a day by friends in the North Central Avenue Baptist Church, who brought a variety of remembrances to church last Sunday, to be doled out to Barbara each day.

Barbara's older sister, Linda, who is 10 years of age, is suffering with muscular dystrophy.

New Junior High Students Asked to Be Pre-Registered

All sixth, seventh and eighth grade students who have moved into the Hamlin School District since the last school term are asked to come to the Junior High School building next Monday morning, August 27, at 9:00 o'clock, advises Principal Marvin D. Carlton. Pre-registration of these pupils will greatly facilitate opening day activities on September 4, Carlton points out.

Due to the differences between schools, a familiarization period will be held, discussing schedules, requirements and general information so that the new students may become better acquainted with the local school. Parents of new students are invited to accompany their children.

Descendants of Wilemons Gather in Annual Family Reunion at Neinda

Descendants of the Wilemon family met for the ninth annual family reunion Sunday, August 12, at the Neinda community center, six miles south of Hamlin. A day of feasting and visiting was spent.

During a short business meeting new officers were elected as follows: Bill Wilemon, president; L. Z. Wilemon, vice president; and Linda Williams, secretary.

Those attending the get-together included: Mr. and Mrs. Bill Wilemon, Vickie and Kenneth, and Mr. and Mrs. H. A. Wilemon and Louise of Greenville; Mr. and Mrs. Santa Pace and children of Borger; Herchell Hubbard of Terrell; Mrs. Guy Wilemon of Midland; Mr. and Mrs. Neil Williams of Celeste; Mr. and Mrs. L. Z. Wilemon of Bells; Mr. and Mrs. Steve Wilemon and Stevie of Houston; Mr. and Mrs. R. H. Miller of Merkel; Mr. and Mrs. Roy Wilemon of Muleshoe;

Mr. and Mrs. Bill Lepard, Mr. and Mrs. Harold Littlefield, Phil and Tony, Mr. and Mrs. Lawrence Hall, Ann, Jan and Larry and Mrs. V. W. Lepard of Anson; Mr. and Mrs. Clennon Miller, Mr. and Mrs. Earl Jackson and Gina, Mr. and Mrs. W. O. Miller and J. R. Wilemon of Dallas; Mr. and Mrs. Phil Hetzel and Taras, Mr. and Mrs. Erwin Baucum, Sylvia and David, Mr. and Mrs. Lester Garrett, Betty and Leslie of Abilene; Mr. and Mrs. P. D. Wheat, Dwaine and Sharon, Mr. and Mrs. John Brown Sr., Mr. and Mrs. Ray Williams, Jerry and Larry, Mr. and Mrs. Jack Williams, Mr. and Mrs. John Brown Jr., Nancy and Cheryl, Mr. and Mrs. Jackie Williams and Mignon, Mr. and Mrs. Donley Williams, Jackie Don and Latrese and Mrs. J. J. Wilemon, all of Hamlin; and four visitors, Mr. and Mrs. G. C. Spoonmore of Dallas, Mrs. W. L. Johnson of Merkel and Barbara Walton of Hamlin.

LOSE UGLY FAT IN TEN DAYS OR MONEY BACK

If you are overweight, here is the first really thrilling news to come along in years. A new and convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger and appetite. No drugs, no diet, no exercise. Absolutely harmless. When you take DIATRON you still enjoy your meals, still eat the foods you like, but you simply don't have the urge for extra portions and automatically your weight must come down, because, as your own doctor will tell you, when you eat less, you weigh less. Excess weight endangers your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this guarantee: You must lose weight with the first package you use or the package costs you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by Howard City Drug Store, Hamlin. Mail orders filled.

Good Neighbor Club Members, Families Meet at City Park

Members of the Good Neighbor Home Demonstration Club and their families met at the Hamlin City Park last Friday evening for their annual picnic.

A picnic supper, consisting of fried chicken and all the trimmings, was served to the following attendants: Mr. and Mrs. Noel Weaver and Davey, Mr. and Mrs. Dale Lain and Gill, Mr. and Mrs. O. H. Weaver and Oram Jr., Mr. and Mrs. Elmer Joiner, Mr. and Mrs. J. C. Hodnett, Sue, Jay and Judy, Mr. and Mrs. Buck Joiner, Charles and Jerry, Mr. and Mrs. J. E. McCoy, Kay and Larry, Mr. and Mrs. L. R. Faulkenberry, Mr. and Mrs. Gib Carothers and Penny; and the visitors, Mrs. Sue Martindale and son, Marlin, of Bralley, California.

The Island of Ball is in Java in the Dutch East Indies.

William K. Westbrook Weds Lanny Posey Of Rotan Friday Eve

A candle-light service, read in the Rotan Church of Christ Friday evening at 6:00 o'clock united Lanny Nadin Posey of Rotan and William Kent Westbrook of Hamlin.

Parents of the couple are Mr. and Mrs. Dave Posey of Rotan and Mr. and Mrs. W. C. Westbrook of Hamlin.

The double ring rites were read by Rex Kiker of Abilene Christian College before an altar arrangement of palms, accented with candelabra holding lighted white tapers. Baskets of white chrysanthemums tied with satin were linked with the candelabra. Satin bows marked family pews.

Maid-of-honor was the bride's sister, Bobbie Posey; matron-of-honor was her sister-in-law, Mrs. Ted Posey. Bridesmaids were Beverly Smith and Judith Morrow.

The bride, given in marriage by her father, was gowning in a period creation of rosepoint lace and tulle, featuring fitted bodice and overskirt of lace, with a floor-length triple skirt of tulle. The portrait neckline was accented with lace medallions, centered with iridescents. She wore elbow length lace mitts. Her bridal veil of French illusion fell from a cap of lace and tulle. She wore pearls as her only jewelry, and carried an orchid, nestled in satin and net, atop a white Bible.

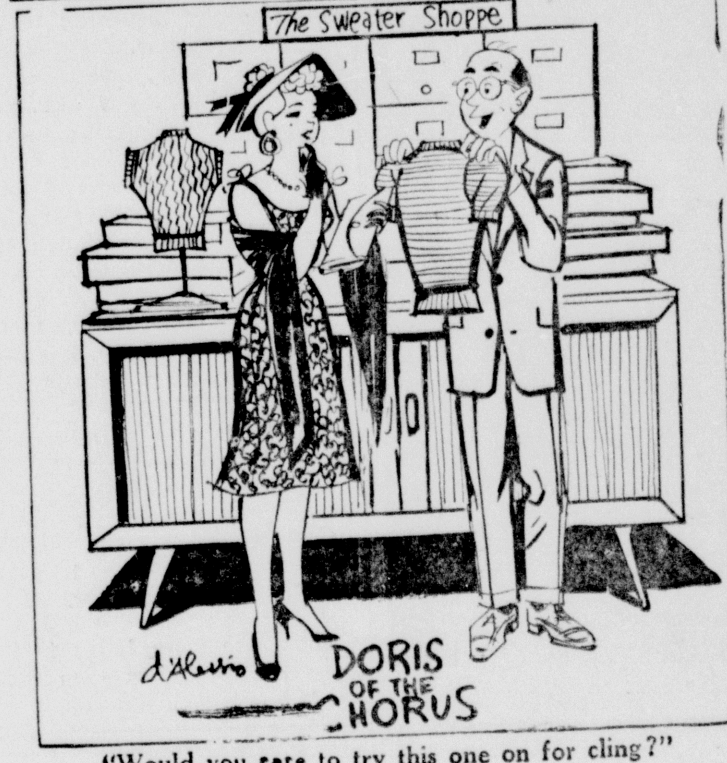

When the couple left for honeymoon in New Mexico, the bride wore a suit of grey acetate and tulle, with accessories in pink and black.

After September 1 the couple will live at Norman, Oklahoma, where the bridegroom is a senior petroleum engineering student in the University of Oklahoma, and where the bride will enroll as a freshman student.

Both are graduates of Rotan High School. The bride attended Abilene Christian College this summer.

Taj Mand in India was built for the favorite wife of the Emperor for India, Sha Jahan.

THESE WOMEN!

Winkels Children Meet in Hopper Home For Family Reunion

Descendants of the late Mr. and Mrs. E. W. Winkels met Sunday, August 12, at the home of Mr. and Mrs. L. H. Hopper for a family reunion.

Those present were Mr. and Mrs. L. R. Winkels of Anson, Mr. and Mrs. B. B. Winkels of Plainview, Mr. and Mrs. A. H. Winkels and son of Dwight, California, Mr. and Mrs. Shelton May of Imperial, Mrs. Flora Alexander of Afton, Mrs. Lona King of Hamlin, Mr. and Mrs. W. E. White of Comanche, Mrs. Alice Day of Afton, Mr. and Mrs. J. E. Crow, Mike and Donnie of Hamlin, Mrs. Opal Alexander of Fort Worth, Mr. and Mrs. J. L. Brown of Afton, Mr. and Mrs. Joe Watson and Jackie of Irving, Mr. and Mrs. L. C. Holladay and daughter, Nell, of Fort Worth, Mr. and Mrs. Alton King of Stamford, Mrs. Sue King of Tishomingo, Oklahoma, Mr. and Mrs. H. E. Alexander of Fort Worth, Mr. and Mrs. Jack White of Hamlin.

MIGHTY POOR SERVICE.

After several hours of fishing, the little girl suddenly threw down her pole and said, "I quit!" "What's the matter?" asked her father.

"Nothing," said the child, "except that I can't seem to get waited on."

The architect of the White House was James Hoban.

T. A. Jeans Celebrate Anniversary Despite His Being in Hospital

Mr. and Mrs. T. A. Jean, pioneer farm couple living west of Hamlin in Fisher County, did not let the fact that Mr. Jean was in a Rotan hospital keep them from celebrating their fifty-eighth wedding anniversary this week.

Although Mr. Jean has been confined in the Callan Hospital at Rotan for several weeks, he and his bride had appropriate remembrances for the occasion—thanks to thoughtful children and grandchildren. Only part of the family could attend the anniversary shindigs.

The Jeans were married in 1898 at Blum, Johnson County, in Central Texas. They moved to McLennan County, near Melvin, where they farmed several years. They moved in 1916 to their present home in Fisher County, west of Hamlin. She was the former Donnie Heath of Blum.

Eight children were born to the couple, seven of whom are still living. They have 15 grandchildren and 11 great-grandchildren.

The children are Mrs. Ethel Caldwell of Hamlin, Mrs. Addie Humphreys of Mesquite, Mrs. Edna Branch of Odessa, Virgil Jean of Hamlin, Mrs. Eunice Flint of Haskell, Morris Jean of Hamlin, and Archie Jean of Fort Worth.

Mrs. Annetta Massey Weds R. L. Matchett

Wedding of Mrs. Annetta W. Massey to Riley Lewis Matchett was solemnized July 20 at Clovis, New Mexico.

The bride is the daughter of W. L. Walton and the late Mrs. Walton. The bridegroom is the son of the late Mr. and Mrs. J. F. Matchett.

Following a wedding trip in New Mexico, the couple is at home at their farm home north of Hamlin.

Three from Hamlin Get Beauty Licenses

The Herald is advised from Abilene that Vernell Butler, Mrs. Bonnie Butler and Mrs. Eva Spencer have finished a course in beauty culture. Mrs. Kate Whit-tiken of the Abilene Beauty College said the three Hamlin women were outstanding students and are excellent in all phases of beauty work. Some of their courses included four-way and razor hair styling, advanced hair styling techniques, son-x facials, machine and cold permanent waving, scalp treatments, steam baths and manicuring.

Everybody Invited to Sellers-Weaver Rites

Everybody in the community is invited to attend the wedding Saturday evening at 7:30 at the First Baptist Church of Tobye Sellers and Guy Lewis Weaver, declare parents of the popular young couple.

Mr. and Mrs. Charlie Sellers are parents of the bride-to-be, and Mr. and Mrs. Noel Weaver of the Neinda community are parents of the prospective groom.

Friends of the families also are invited to attend the reception at the Sellers home, 612 Northwest Avenue A, following the wedding ceremony.

Locals Go to Golden Wedding Gathering

Several from Hamlin were among those attending the golden wedding anniversary celebration of Mr. and Mrs. Ed Stallings at Apache, Oklahoma, Sunday.

Attending from Hamlin were Mr. and Mrs. D. D. Crow, Mr. and Mrs. F. M. Crow, Mr. and Mrs. W. E. Crow. Mrs. Stallings is the sister of the Crow brothers. There were 25 present for the anniversary dinner.

Eight New Teachers Have Recently Been Added to Hamlin School Faculty

Eight new teachers have been employed for the Hamlin Schools as a result of resignations, declares Superintendent C. F. Cook, who says two vacancies still exist on the faculty. The places are a first grade teacher and an instructor for seventh and eighth grade mathematics.

The new teachers are:

Mrs. Ethel Wainscott Allen, who has had 16 years' experience as teacher, will teach the first grade. She holds an MS degree from McMurry College of Abilene and received her BS degree from Canyon State Teachers College.

Jou Adams, a Hamlin young man, will teach social studies in the seventh and eighth grades. Jon has a BA degree from Texas Tech. He taught one-half year at Post and was reemployed by that school.

Mrs. Lily M. Hennington of McCaulley will teach language arts in the seventh and eighth grades. She received her BA degree from Hardin-Simmons University at Abilene. She has taught 18 years, the last 10 in McCaulley High School English department.

Mrs. Harvey Elkins will teach the third grade. Mrs. Elkins received her BS degree from Appalachian State Teachers College in North Carolina, with a major in elementary education. She has taught eight years, having taught the third grade at Aspermont last term.

Mrs. N. D. Miers will teach music in the Elementary School. Mrs. Miers received her BS degree from Texas State College for Women at Denton, her ME degree from McMurry College, and has a major in elementary education. She has taught public school music for a number of years, having 20 years' teaching experience.

Mrs. Weldon Johnson will teach social studies in the sixth and seventh grades. She received her BS degree from Texas State College for Women, and has attended Hardin-Simmons University at Abilene this summer. She will receive six hours in elementary education. Mrs. Johnson has four

years' teaching experience. She taught last year in the Noodle-Horn school.

Mac Fullerton will direct the hands in Junior High and high school. He received his BS degree from Hardin-Simmons University and master of music from North Texas State College. He has taught two years in public schools and one year in a special school. He taught at Colorado City Junior High last year.

Ellis Wamsley Jr. will teach and direct band in the DePriest School. He received his BA degree from Bishop College, and has done graduate work at Texas Southern University. He has had 11 years' teaching experience.

Mrs. Doc Neal has been employed as school nurse. She has worked for a number of years in the Hamlin Memorial Hospital, serving as night supervisor.

Willie Alls has been employed as custodian of the Primary building.

Bibb O. Townsend, Dies at Anson Home

Funeral services for Bibb Oliver Townsend, 82-year-old former farmer of the Hamlin community, were conducted Monday at the First Methodist Church in Anson. Townsend died Saturday morning at his home in Anson. Burial was in the Bethel Cemetery at Funston.

He and his wife moved to Jones County in 1898, settling in the Funston community. They moved to Hamlin in 1936, where Mrs. Townsend died in 1938.

Survivors include three daughters, three sons, 17 grandchildren and 20 great-grandchildren.

U. S. presidents who have died in office are Garfield, McKinley, Lincoln, Harrison, Taylor and Roosevelt.

Izaak Walton wrote "Angling may be said to be so like the mathematics that it can never be fully learnt."

Pioneer Day Group Plans Annual Meet

Guest house at the Hamlin Mid-west Coperative Oil Mill was the scene last Thursday afternoon of 39 pioneer day neighbors of the Hamlin community.

Friends came from Fort Worth, Dallas, Anson, Stamford, Hamlin and Fresno, California. The afternoon was spent in visiting, singing old-time songs and reminiscing, playing forty-two and making pictures. Viewing old-time pictures was a feature of the get-together.

The group of early settlers voted to meet at the same place on the third Thursday in 1957, when a covered dish luncheon will start the festivities.

Old San Antonio Road, the oldest road in Texas, is 317 miles long.

Under-Age Kids To Be Accepted at Primary School

New plan of permitting under-age children to attend the Hamlin Primary School will be inaugurated this year, according to Superintendent C. F. Cook. Children who will be six years of age by January 1, 1957, will be accepted under the plan, he says.

Parents of the under-age children are asked to meet with the superintendent and Mrs. Fred Smith, Primary School principal, at the superintendent's office next Thursday, August 30, at 9:00 a. m. for registration of these children and discussion of the new plan.

At the request of Superintendent Cook the school board voted to use the plan this year. A tuition

Malouf's Joins Retail Dry Goods Store Unit

Malouf's Department Store of Hamlin has become a member of the National Retail Dry Goods Association, J. Dakins, association executive vice president, reports from New York City.

George C. Malouf has been named by the store to represent it in NRPGA activities.

Malouf's fee of \$10 per month for the entire school year, payable in advance, was agreed upon. In case of crowded conditions in the first grades, the board reserves the right to ask the withdrawal of the under-age children.

Superintendent Cook declares that, after one month of school, if the teacher of an under-age child feels that a child is not ready for the first grade, withdrawal of the child will be requested.

Christmas-in-August Provides Gifts from Sunbeams to Indians

Members of the Sunbeams at North Central Avenue Baptist Church are finding new variety in a Christmas-in-August project that has gained the attention of most of the members of that congregation, reports Rev. Woodrow McHugh, pastor.

The little tykes of the church started a gift gathering for the Indians of the Southwest recently, in cooperation with other church people of the region. The gifts are being assembled by missionaries to the Indians now in order to sort them and prorate them in December.

Directing the gift project are the Sunbeam leaders, Mrs. Bobbie Yearry and Mrs. Dorothy White.

200 Expected at Pied Piper Booster Group Feast Friday

Films of Games To Follow Feed At Field House

Order for barbecue supper for Hamlin High School football boys, coaches and fans will have to be double the 100 figure given in last week's Herald, if attendance indications are correct, it was announced this week by President Bobby Crowley of the Hamlin Pied Piper Booster Club, sponsor for the pre-season round-up and feast.

The affair is scheduled to get underway at 6:30 tomorrow (Friday) evening at the Pied Piper field house, in the north end of the football field. Barbecue and plenty of trimmings will be served to attendants.

In announcing final plans for the get-together, Crowley emphasized that everybody interested in giving the gridders and their coaches a send-off is invited to attend the feast and program that will follow.

After the barbecue, motion pictures of last year's Hamlin-Stamford grid battle will be shown. Two other films featuring McMurry College and Hardin-Simmons University teams also will be shown.

Quacksand is a bed of sand so water soaked this it engulfs trying that attempt to rest on it.

There are 316 mountains in Texas.

Junior High to Take Part in Conference Games Again in 1956

Hamlin Junior High School will participate again this year in a junior high school athletic conference in football, officials of the school announced this week. Games will be played on a home-and-home arrangement.

Coach Harry Martin will be greeted by about 30 eighth grade boys who will represent Hamlin Junior High on the gridiron. Prospects for a winning season appear very good, with the boys having more experience than in previous seasons.

An excellent intra-mural program will be set up for sixth and seventh grade boys, it is announced.

The football schedule for the year follows:

September 18—Albany here.
September 25—Merkel there.
October 2—Anson here.
October 9—Rotan there.
October 23—Albany there.
October 30—Merkel here.
November 6—Anson there.
November 13—Rotan here.

DRIVING BLIND ANYWAY.

It had rained hard. The windshield was covered with mud, and the car had narrowly escaped several collisions.

"Wouldn't it be a good thing to wipe off the windshield?" asked the anxious passenger.

"Not worth the bother," cheerfully returned the driver. "I left my glasses at home."

City Tournament Slated Labor Day Week-End at Club

Beginning Saturday, September 1, and extending through Monday, September 3, the Hamlin Lakeview Golf Club is sponsoring a Labor Day city golf tournament, according to President B. O. Bell.

This tournament is for all golf players in the trade territory of Hamlin, whether they are members of the Hamlin Golf Club or not. This also includes those players from Aspermont, Roby, Rotan and McCauley who play regularly on the Hamlin course.

Contestants will be grouped into eight player flights, except the 16 low qualifiers, who will constitute the championship flight for the tourney.

All flights will be played on a medal score basis, with the qualifying round counting as part of the final score. Each flight will be for 72 holes, enabling every player to go the full route.

In the championship flight, at the end of 36 holes, the low eight scorers will continue as the championship flight, and the high eight will form the first flight.

Eighteen holes will be played Saturday, September 1, another 18 Sunday and the final 36 holes will be played Monday September 3.

Prizes will be given the winner and runner-up in each flight. Following the presentation of the prizes, there will be a chicken dinner, prepared by the club members' wives, served at 7:00 o'clock.

GODLY WATCHCARE.

The old Scot guide, just back from taking the new minister on a grouse shooting trip over the moors, sank wearily into his chair before the fire.

"Here's a cup of hot tea for you, Angus," said his wife. "And is the new minister a good shot?"

The old fellow puffed his pipe a bit, then answered slowly, "Aye, old woman, a fine shot he is—but 'tis marvelous indeed how the Lord protects the birds when he's shooting!"

Fall Training Camp for Pied Pipers to Open Monday for Tough Work-Outs

Fall training camp for football boys of Hamlin High School will open Monday morning, with a twice-daily work-out schedule, according to Head Coach Truman Nix.

Morning work-outs will be from 6:00 to 8:00 o'clock. The afternoon work-outs will be according to the weather.

Daily schedule for the boys will be as follows: Arise at 5:45 a. m.; on the field at 6:00 a. m.; work-out to 8:00 a. m.; breakfast at the cafeteria at 8:30; skull practice, 10:00 to 11:00 a. m. Boys living in town will eat lunch at home, and those living in the country will eat lunch at the cafe.

Members of the varsity crew will have skull practice from 2:30 to 3:30 p. m. The B team boys who are not attending the camp will report for work-outs at 2:00 p. m. to 4:00 p. m. The varsity will then work out from 4:30 to 6:30 (weather permitting). Dinner will be served at the cafeteria, and lights will go out at 9:30 o'clock.

All four coaches will be on hand for the camp, and some phase of football will be going throughout most of the day, Nix declares.

"We will have about 35 boys in the pre-season work-outs," stated Coach Nix. A lot of individual work-outs will be given each boy.

"We are expecting a much better camp this year as we, the coaches, know the boys and the boys know the formations. We can spend the week working on football instead of getting to know each other as was the case last year."

"The public will be welcome to any of our practice sessions. In fact, we urge the public to attend the work-outs to show the boys you are interested in them," Nix continued.

The football fields are in excellent condition, the coaches pointed out, and everything is in fine shape to start the new season. Seven boys were lost from the regular squad of last year, but some good boys are coming up from the B team, Nix calculated. "We feel we should be just a little stronger this year. Our success will depend a great deal on the loyalty and support of our team. Fans, remember a word of encouragement is worth more than a paragraph of criticism to a boy in athletics," pointed out Coach Nix as a parting gesture.

Jack Wright's Ship Takes Part in Sea Fair Seattle Maneuvers

A task force of 12 San Diego and Long Beach based warships, on maneuvers in Pacific Northwest waters, arrived in Puget Sound near Seattle, Washington, August 8 to take part in Seattle's annual Sea Fair.

Among the participants aboard the destroyer USS Albatross was Jack D. Wright, electronics technician third class of the U. S. Navy, son of Mr. and Mrs. Jack Wright of Hamlin.

During their five-day stay in Seattle, the ships held open house for the visiting public, including Sunday divine services aboard ship.

Sea Fair officials arranged extensive programs of entertainment for the visiting California based Navy men.

The task force, commanded by Rear Admiral Howard L. Collins, commander of Cruiser Division 1 of the Pacific Fleet's cruiser destroyer force, departed for Southern California the evening of August 13.

James Boyd Looks Good on McMurry Griddler Roster

James Boyd, son of Mr. and Mrs. R. L. Boyd of Hamlin, is one of about 60 candidates for the McMurry College Indian football team, which will open fall practice at Abilene September 1.

Boyd, a 1955 graduate of Hamlin High School, lettered three years with the Pied Pipers and won all-district honors in 1953 and 1954. He received honorable mention for all-state in 1954.

Boyd was a member of the McMurry traveling squad last year, and the coaches at the Methodist college said "he looked very good in spring training and may give some of the older boys good competition for the starting halfback jobs this fall."

Boyd is majoring in math, and expects to be called into the military service after he graduates from McMurry in 1959.

The McMurry football team, facing a tough schedule, will be hard put to equal its record of last fall when it won eight and lost only two games, for the second best grid record among Texas colleges and universities.

Young Tommy Ellis, starting his first year as head coach of the Indians, will have 14 lettermen returning. McMurry lost six all-conference starters by graduation. Ellis' assistants are Elmo Cummins and Stan Burnham. Pete Shottwell is athletic director at McMurry.

Romulus was the founder of Rome.

"Hot Flashes Stopped" or strikingly relieved

In 63-80% of cases in doctors' tests

If you're miserable from the "hot flashes," and accompanying irritable, restless feelings of "change of life"—you may be suffering unnecessarily!

For... in tests by doctors... Lydia Pinkham's Compound and Tablets brought relief from such functionally-caused suffering to 63% and 80% (respectively) of the women tested! Complete or striking relief!

Yes! Research has proved these medicines thoroughly modern in action... has shown you where to look for relief from those distressing, nervous, "out of sorts" feelings of mid-life "change!"

So... get Lydia E. Pinkham's Vegetable Compound—or new, improved Tablets with added iron! (Wonderful, too, for the functional pains of menstrual periods.)

It acts through a woman's sympathetic nervous system to relieve distress of those awful "heat waves!"

MAKING HER PLANS.

An elderly couple had been sitting in front of the evening fire a long time without speaking. At last the husband inquired: "What are you thinking about?" To which the wife replied: "I was just thinking how long we had lived together, and that it couldn't go on forever like this, and that the time will soon come when one of us will have to go."

"Yes," assented the old man, "but it is no use to worry about that now, mother."

"No," was the calm reply, "but I was just thinking that when it does happen, I would like to go to California to live."

Ether was first used as an anesthetic in 1842.

What Grandmother did

that Granddaughter doesn't!

For one thing Grandmother spent 5½ hours a day in the kitchen. Granddaughter doesn't—she spends about an hour and a half on the average.

Plenty of low-cost electricity is the biggest part of the reason why. There's more than enough to do your cooking, your mixing, your dishwashing, your water heating.

And the men and women at your electric service company are planning and building ahead so there will be plenty for granddaughter, too.

In fact, you can be sure of plenty of electricity always when you are served by an independent electric company like this one.

West Texas Utilities
Company

First Norther of Season in Territory Triggers Lively Livestock Markets

The first norther of the season spilled cool air and some showers onto Texas over the week-end, and the cooler breezes triggered a snappy livestock market at Fort Worth, declared Ted Gouldy, special market reporter for The Herald, in his weekly release. His report continues:

All classes of cattle and calves were active and prices were steady to strong. There were sales 25 to 50 cents higher spinkled through the list, with the better quality and higher grading kinds usually showing the advances.

Prime steers again topped at \$25, and good to choice cattle scored \$20 to \$22. Replacement cattle and calves were very active and high grade offerings were scarce.

Comparative prices: Good and choice slaughter steers and yearlings, \$17 to \$25; common, plain and medium butcher cattle, \$10 to \$17; fat cows, \$9 to \$11.50; canners and cutters, \$5.50 to \$9; and bulls, \$8 to \$13.

Good and choice slaughter calves, all weights, netted \$14.50 to \$17; heavy beef calves to \$17.50 and \$18.50; cull, common and medium grades, \$8 to \$14.50; good and choice stocker steer calves, \$16.50 to \$19.50, quotable to \$20 or above; stocker steer yearlings, \$13.50 to \$17.50, some around 800-pounders to \$18.50; heifers for replacement purposes, \$2 to \$3 under similar steers; few stocker cows, \$8 to \$11.

The new paved parking area, which once was one of the South's most beautifully kept lawns, in front of the old Spanish style Livestock Exchange Building at the Fort Worth Stockyards, will be formally opened next week, according to announcement of

W. L. Pier, manager of the stockyards. "In a city the size of Fort Worth parking is one of the most critical problems we have to contend with. It was with regret that we had to destroy the artificial lawn at the yards which was live and green the year around. However, patrons of the market must have parking and so we have spared no effort in building one of the finest, most modern parking areas in the Southwest."

Strong shipper and stocker demand at Fort Worth Monday boosted prices 40 to 60 cents per 100 and pushed the price of choice butcher hogs back up to the year's highest level.

Choice meat hogs topped at \$17.50 to \$17.75, and less desirable weights and grades sold around \$14 to \$14.75. Sows cashed at \$13 to \$14.50. Stags sold from \$5 to \$8.

Trade was active and quality considered prices were steady to strong at Fort Worth Monday. High grade offerings were again in small supply. Choice fat lambs topped at \$19, and medium to good kinds sold from \$15 to \$18, with cull and common sorts from \$10 to \$15.

Stocker and feeder lambs drew \$14 to \$16. Yearling muttons cashed at \$10 to \$16. Old ewes drew \$8 to \$12. Old ewes sold from \$3 to \$5; old bucks sold around \$4.

The continued improvement in fat cattle prices (some prime cattle above \$30 at Corn Belt markets last week) augurs well for the special stocker and feeder sales set for September at the Fort Worth Stockyards. Angus stockers will probably number

CLIMBING RECORD—The Danies, 30-year-old Mount Vernon musician, rests after playing 17 consecutive hours to claim the world's endurance record for fiddle playing. Danies used a 100-year-old violin, made in Germany, which has been in his family for years.

2,500 in the September 7 event, and Hereford stockers will probably total over 5,000 in the September 21 event, according to early estimates.

Nation-wide buying strength will be attracted to the sales, and some of the Southwest's best commercial cattle herds plan entries.

The improving fat cattle mar-

Estimated Four Men To Go from County In September Draft

An estimated four from Jones County young men are expected to answer the September draft call. The September draft call for Texas asks for 687 men, compared to 536 for the same month in 1955, Colonel Morris Schwartz, state selective service director, announced Thursday.

This is the state's share of a national call for 14,000 men, all for the Army. The national call for September, 1955, was 10,000.

At the same time, Colonel Schwartz announced a September call on approximately half the state's draft boards for 1,140 to take pre-induction physical and mental examinations for future calls. He said that the boards not receiving a quota for these examinations in September already had been called upon to furnish men for examination in August.

The September quota will be filled with men who are 22 years of age or older on September 1, with the exception of delinquents or volunteers who may be younger.

First balloon flight in America was made by Jean Pierre Blanchard, a French pilot, in 1793.

MISS SUMMERTIME—Judy Jacobs of Kingsville was named Miss Summertime at Texas A. & I. College over 13 other contestants who were nominated by fellow students at the school's summer session.

The Mormon Church was founded in 1830 by Joseph Smith in Fayette, New York.

Methodist Pastor Attending School of Missions in Arkansas

Rev. Darris L. Egger, First Methodist Church pastor, is this week attending the South Central Jurisdictional School of Missions at Fayetteville, Arkansas.

Accompanying Rev. Egger are Rev. C. R. Lemond, pastor of the Fairmont Methodist Church of Abilene, Gerald Murff of Rotan and Devin McNally of Olton. Egger and Lemond are the ministerial representatives of the Stamford and Abilene districts, and Murff and McNally are the youth representatives of the same districts.

Featured on the missionary program is the India Centenary Choir. The Centenary Choir is on tour of this country in observance of 100 years of Methodism in India. Appearing also will be returned missionaries who will tell of the work of the various countries and the increasing hostility toward American missionaries.

Rev. Egger is secretary of the board of missions and church extension of the Northwest Texas Conference.

Jack Johnson was the last negro heavyweight boxing champion before Joe Louis.

VISITING IN HAMLIN.
Mr. and Mrs. John Battle and children of Othello, Washington, are visiting in the home of her parents, Mr. and Mrs. C. R. Faulkenberry. Other guests in the Faulkenberry home have been Mr. and Mrs. J. C. Kinsey and children of Imperial.

The U. S. Marine Corps was founded in 1775.

No matter how big or small the repair required on your watch, you can count on the same diligent care from our master watchmakers.

And our prices are just as friendly. Come in today.

● CARD OF THANKS

CARD OF THANKS
For each word of sympathy, the cards and flowers sent and for the visits made during the illness and death of our beloved husband and father, we want to express our deep and sincere appreciation; also for the food and those who served; to the doctors and nurses. Each deed helps so much to make our grief and great loss much easier to bear. May God's richest blessings rest upon each of you in our prayer.—Mrs. Vivian Madden and family. 1p

● WORD OF GRATITUDE

We wish to thank each and every one for the many words of sympathy and deeds of kindness that have helped us to bear our sorrow through the illness and passing of our loved one.—Mrs. J. A. Grigsby, Mrs. W. B. Bulton and family. 1p

SECURITY

Security is everyone's byword in this era of tension, anxiety, and bristling competition. It's the goal of government, industry, business, family, and nations.

Security generally means being sure of something, or even someone. But, no one gets security without giving. It is not self-accomplished. Other people and factors contribute in providing our security.

Above all, God alone is the source of security and serenity. Society cancels out our security with finality when we run afoul of its standards, whereas God endows us with the privilege of obtaining forgiveness and mending our ways.

How secure are we against the disasters and perils of life and against our own imperfections? To find the answer, turn to God's Church where we will find the fountain of security.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day Book Chapter Verses
Sunday... II Samuel 12 1-14
Monday... Psalms 116 1-19
Tuesday... Isaiah 26 1-8
Wednesday... Mark 4 1-20
Thursday... Mark 4 21-29
Friday... Romans 2 1-11

New Hall Lockers at Junior High Installed

New hall lockers for seventh and eighth grade students have been installed this summer in the Junior High School, it was announced this week by Principal Marvin D. Carlton.

These lockers will permit each teacher to have a room and will allow the pupils to change rooms rather than the teacher. It is felt that this is a definite improvement in that it will allow better supervision of pupils and allow more flexibility of the school program, Carlton said.

Get paper clips at The Herald.

Homer Raney Visits Del Camino in El Paso

Mr. and Mrs. Homer Raney of Hamlin were recent guests at Del Camino in El Paso. They are presently on an extended vacation and pleasure trip through the Southwest, traveling with two other couples.

During their stay at Del Camino they also had the opportunity to see the neighboring communities of El Paso and Juarez, the two largest cities on the Mexican border.

Billy the Kidd is buried at Lincoln, New Mexico.

RUDE AWAKENING.

The little girl was heart-broken over the death of her pet canary, so her parents arranged an impressive funeral for the departed musician. The bird was put in a cigar box and buried in the garden. After the service was over, the tot whispered to her dad: "Do you think my little canary will go to heaven?" she asked. "I imagine so," replied the father. "Why?" "I was just thinking," she mused, "how cross St. Peter will be when he opens the box and finds it isn't cigars after all!"

The Treaty Oak tree in Austin is 500 years old.

MORAL SUPPORT.

On the first day of school the teacher was asking each of the first-graders to tell his name and what he wanted to be when he grew up.

One little tow-head spoke up importantly: "I'm Jimmy. When I grow up I'm gonna be a lion tamer. I'll have lots of fierce lions

and tigers, and I'll walk in the cage and . . ."

He hesitated, then continued, "but, of course, I'll have my mother with me."

There are two tombs of the Unknown Soldier—one in Washington, D. C., and one at Fort Worth, Texas.

Every Purchase You Make

In a Home-Town Store . . . Is Just Like

Putting Money in the Bank

... a bank you can draw on for customers, a job, friends in time of trouble, schools for your children, churches for spiritual help . . . and the good life in this community . . . where everybody is Somebody

Every time you spend a dollar in this community for goods and services, a substantial part of that dollar automatically becomes an investment in an enriched social and business life for YOU and your family and friends.

It's an investment you can draw on every day of your life . . . an investment that pays big dividends in happiness and prosperity, as it strengthens and builds up the vitality of this area in which you live . . . and in which YOU are important.

Contrast this with what the community-building and supporting part of your dollar does for you when you spend it away from home, send it to some mail order house, or surrender it to some migratory peddler.

It's gone. To support some other area . . . to build up wealth that YOU can never draw on . . . and to strengthen those who aggressively drain off the trade of your community . . . to weaken your business, your schools and churches, to eliminate your job, and devalue your property.

It Pays to Buy where You Live

Of all the business establishments in the world — only those in Hamlin are sincerely interested in the future of Hamlin and in the future of YOU who live here . . .

Yes, folks, after several weeks of arranging and preparation we are finally ready to stage the formal opening of Hamlin's newest and most complete Tire and Appliance Store, in the Bowen Pope buildings formerly occupied by The Hamlin Herald and the Ideal Steam Laundry, 111 South Central Avenue. Open house will be conducted next weekend—Thursday, Friday and Saturday, August 30 and 31 and September 1—and we invite the people of this trade territory to come and visit us.

Special souvenirs will be given everyone who visits us any of the three opening days, and prizes worth hundreds dollars will be awarded. (See list to left).

When you come in, check the numerous values in home appliances and auto accessories. You'll be glad you did!
